

# As a new resident of Belle Isle, we want you to know that you are now living in a Tree City.

The Tree City USA program provides us with a four-step framework to maintain and grow our tree canopy. It also gives us an avenue to celebrate our work, showing residents, visitors, and the entire country that we are committed to the mission of environmental change.

**Belle Isle was awarded the Tree City USA certification by fulfilling these standards:**

- An active Tree Board.
- A tree care ordinance.
- A community forestry program with an annual budget of at least \$2 per capita.
- An Arbor Day observance and proclamation.

To help us improve our Belle Isle tree canopy, consider requesting one or two free trees for your home by using these coupons.
