

**CITY OF BELLE ISLE, FLORIDA
CITY COUNCIL AGENDA ITEM COVER SHEET**

Meeting Date: December 6, 2022

To: Honorable Mayor and City Council Members

From: B. Francis, City Manager

Subject: RFP for Sidewalk Repair and Replacement

Background: The City Council directed that the Public Works Department inspect, repair and/or replace all public sidewalks and driveway aprons in the right of way. In order to have this work done in an orderly and expeditious manner, the City staff is recommending that an RFP be issued for the work. The RFP allows for a single or multiple contractors to do the work. Having a continuing services contract with a single or multiple contractors would eliminate the need to request quotes every time work is necessary.

Staff Recommendation: Approve issuing the RFP.

Suggested Motion: I move to approve the RFP and direct the staff to publish the RFP.

Alternatives: Do not issue the RFP.

Fiscal Impact: \$500,000 budgeted for the work.
