

# Cornerstone Charter Dance Marathon

**To:** Belle Isle City Council

**Subject:** For the Kids Video: City of Belle Isle Appearance

We are here on behalf of Cornerstone Charter Academy's Dance Marathon, in which we are hosting our 2<sup>nd</sup> annual dance marathon. All of our proceeds benefit the Children's Miracle Network, and all of our funds locally support Arnold Palmer and Winnie Palmer Hospital. We are currently making a promotional video about the motivation of our cause and what it means to our local community and us. Our idea behind the video is "What For the Kids Means to Me." We are hoping to get city involvement by including members of our city councils and elected officials to take part in this video. We would love to feature you in our video and are willing to work with your schedule to provide you the best convince possible.
