

LETTER OF INTENT BELLE ISLE CITY COUNCIL DISTRICT #6

25 FEBRUARY 2026

Dear Belle Isle City Council,

It is my intent to submit my application for consideration of district six seat on the Belle Isle City Council. I am a homeowner in the district with valid homestead exemption and have lived in my residence for six years. I am a registered voter in orange county. I am rooted in the community by my family, my wife who is an orange county public school teacher and three children ages 18,15, and 5 and by my parents and sister who live close by. I understand the time commitment that is involved and will be present for the meetings, functions, and special events. I will bring over 20 years of experience, education, and background from working in hospitality management. I have worked in a secure area at Orlando airport for 15 years. I strive to excel in project management and cost analysis. I am an excellent listener who tends to gather all the facts and hear all sides before making determinations. I work well in a team unit and believe collaboration is key to achieving goals. I have no issue with taking calls, text, or emails and will be happy to help in any way I can. I seek this appointment with District 6 council to meet new people, learn and experience personal growth, be fully involved in community, and offer leadership and professionalism to my neighbors in Belle Isle. Thank you for your time and attention.
