

**CITY OF BELLE ISLE, FLORIDA
CITY COUNCIL AGENDA ITEM COVER SHEET**

Meeting Date: February 3, 2026

To: Honorable Mayor and City Council

From: Rick J. Rudometkin, City Manager

Subject: Approve extending Willdan's Stormwater Rate Study contract extension to September 30, 2026.

Background:

The current contract extension will expire at the end of March of 2026, and we are still working with the vendor, Willdan, on the stormwater rate study. The city manager is authorized to do one extension for a fixed time period and that was done. Another extension for time needs to be approved by council and is needed to extend this further.

Staff Recommendation:

Extend the current contract extension with Willdan to September 30, 2026, so we can continue to work with them on the stormwater rate study and complete it.

Suggested Motion:

I move to extend the current contract extension with Willdan for the stormwater rate study until September 30, 2026, and authorize the city manager to execute said extension.

Fiscal Impact: There is no fiscal impact or additional costs.
