ADMINISTRATION

Public Records Policy

It is the policy of the City of Belle Isle that all records shall be open for personal inspection by any person, unless those records are exempted under the terms of Chapter 119, Florida Statutes.

For the purpose of this policy, access to public records is allowed during normal working hours – Monday to Friday, 8:00 a.m. to 5:00 p.m. The City will make every effort to respond fully to all public records requests within a reasonable time.

If the nature or volume of public records requested to be inspected, examined or copied is such as to require extensive use of information technology resources, or extensive clerical or supervisory assistance by personnel of the City, or both, in addition to the actual cost of duplication, a special service charge will be assessed. This service charge shall be based on the actual cost incurred for such extensive use of information technology resources and/ or the labor cost of the personnel providing the service based upon the actual labor (base hourly salary) of the employee who performs the task.

Special Service Charge: The special service charge will not be charged unless the estimated time for fulfilling the request exceeds 15 minutes. The City may also charge for an employee to sit with the requestor during the course of the inspection, to safeguard and protect the City’s records from theft, destruction or alteration.

Deposit: The records custodian will provide the requestor with a cost estimate for fulfilling the public records request. If the estimated cost is less than \$100, the requestor shall be required to pay the full amount before the records custodian will begin collection, duplication and/or redaction of the requested records. If the estimated cost exceeds \$100, the requestor shall be required to pay 50% of the estimated cost before the records custodian will begin collection, duplication and/or redaction of the requested records. Upon completion of collection, duplication and/ or redaction of the records, a cost invoice will be provided to the requestor which reflects the time and expense incurred to fulfill the request. Monies collected exceeding the actual cost incurred by the City, shall be returned to the requestor.

Unpaid requests: If a requestor has any outstanding public records requests for which the City completed the work to fulfill the request but has not received full payment, the requestor shall be required to pay for the previously unpaid request(s) before the City will process a new public records request.

Payment: Cash, personal check on a local bank, money order, or certified check shall be paid prior to the delivery of the materials. Any check, money order, or certified check shall be made payable to “City of Belle Isle”.
