## Message from the Chief – December 2025

December is a month that naturally brings reflection, gratitude, and togetherness, and Belle Isle continues to show why it is such a special place to live and serve. Throughout the holiday season, our community came together in ways that reflect the character of this city, neighbors looking out for one another, families filling our streets and waterways with activity, and residents supporting local events that bring people together. From decorated boats on Lake Conway to children lining the streets waiting for Santa, December reminded us that Belle Isle is more than a city, it is a community that values connection and tradition.

While the holidays are a joyful time, they are also one of the busiest periods of the year for public safety. Our officers remained actively engaged throughout the month, balancing community events with increased traffic enforcement, patrol activity, and calls for service. Whether working holiday details, responding to emergencies, or conducting proactive enforcement, the Belle Isle Police Department remained focused on keeping residents and visitors safe while allowing everyone to enjoy the season responsibly.

As we close out the year, I want to thank our residents for their continued support, cooperation, and trust. Your partnership plays a vital role in public safety, and it does not go unnoticed. On behalf of the entire Belle Isle Police Department, I wish everyone a safe, healthy, and happy New Year. We look forward to continuing to serve this community with professionalism, dedication, and care in the year ahead.
