932.7055 Disposition of liens and forfeited property.—

(1) When a seizing agency obtains a final judgment granting forfeiture of real property or personal property, it may elect to:

- (a) Retain the property for the agency's use;
- (b) Sell the property at public auction or by sealed bid to the highest bidder, except for real property which should be sold in a commercially reasonable manner after appraisal by listing on the market; or
- (c) Salvage, trade, or transfer the property to any public or nonprofit organization.

(2) Notwithstanding subsection (1), a seizing agency must destroy any image and the medium on which the image is recorded, including, but not limited to, a photograph, video tape, diskette, compact disc, or fixed disk made in violation of s. [810.145](#) when the image and the medium on which it is recorded is no longer needed for an official purpose. The agency may not sell or retain any image.

(3) If the forfeited property is subject to a lien preserved by the court as provided in s. [932.703\(7\)\(b\)](#), the agency shall:

- (a) Sell the property with the proceeds being used towards satisfaction of any liens; or
- (b) Have the lien satisfied prior to taking any action authorized by subsection (1).
- (4) The proceeds from the sale of forfeited property shall be disbursed in the following priority:
 - (a) Payment of the balance due on any lien preserved by the court in the forfeiture proceedings.
 - (b) Payment of the cost incurred by the seizing agency in connection with the storage, maintenance, security, and forfeiture of such property.
 - (c) Payment of court costs incurred in the forfeiture proceeding.

(5)(a) If the seizing agency is a county or municipal agency, the remaining proceeds shall be deposited in a special law enforcement trust fund established by the board of county commissioners or the governing body of the municipality. Such proceeds and interest earned therefrom shall be used for school resource officer, crime prevention, safe neighborhood, drug abuse education and prevention programs, or for other law enforcement purposes, which include defraying the cost of protracted or complex investigations, providing additional equipment or expertise, purchasing automated external defibrillators for use in law enforcement vehicles, and providing matching funds to obtain federal grants. The proceeds and interest may not be used to meet normal operating expenses of the law enforcement agency.

(b) These funds may be expended upon request by the sheriff to the board of county commissioners or by the chief of police to the governing body of the municipality, accompanied by a written certification that the request complies with the provisions of this subsection, and only upon appropriation to the sheriff's office or police department by the board of county commissioners or the governing body of the municipality.

(c) An agency or organization, other than the seizing agency, that wishes to receive such funds shall apply to the sheriff or chief of police for an appropriation and its application shall be accompanied by a written certification that the moneys will be used for an authorized purpose. Such requests for expenditures shall include a statement describing anticipated recurring costs for the agency for subsequent fiscal years. An agency or organization that receives money pursuant to this subsection shall provide an accounting for such moneys and shall furnish the same

reports as an agency of the county or municipality that receives public funds. Such funds may be expended in accordance with the following procedures:

1. Such funds may be used only for school resource officer, crime prevention, safe neighborhood, drug abuse education, or drug prevention programs or such other law enforcement purposes as the board of county commissioners or governing body of the municipality deems appropriate.
2. Such funds shall not be a source of revenue to meet normal operating needs of the law enforcement agency.
3. Any local law enforcement agency that acquires at least \$15,000 pursuant to the Florida Contraband Forfeiture Act within a fiscal year must expend or donate no less than 25 percent of such proceeds for the support or operation of any drug treatment, drug abuse education, drug prevention, crime prevention, safe neighborhood, or school resource officer program or programs. The local law enforcement agency has the discretion to determine which program or programs will receive the designated proceeds.

Notwithstanding the drug abuse education, drug treatment, drug prevention, crime prevention, safe neighborhood, or school resource officer minimum expenditures or donations, the sheriff and the board of county commissioners or the chief of police and the governing body of the municipality may agree to expend or donate such funds over a period of years if the expenditure or donation of such minimum amount in any given fiscal year would exceed the needs of the county or municipality for such program or programs. The minimum requirement for expenditure or donation of forfeiture proceeds established in subparagraph 3. does not preclude expenditures or donations in excess of that amount.

(6) If the seizing agency is a state agency, all remaining proceeds shall be deposited into the General Revenue Fund. However, if the seizing agency is:
