

**CITY OF BELLE ISLE, FLORIDA
CITY COUNCIL AGENDA ITEM COVER SHEET**

Meeting Date: November 19, 2019

To: Honorable Mayor and City Council Members

From: B. Francis, City Manager

Subject: Discuss Council Workshops

Background: Oak Ridge High School Video Production team has been providing services to the City, at no cost, to broadcast City Council meetings. The team has vastly improved the quality of the broadcasts of meetings and the residents of the City have made many positive comments on the improvements. The students are looking to enter a national competition for video production in Washington DC this March, and they need new equipment to compete. As they have volunteered their services to the City, the City should assist them by providing funds for the equipment. Keep in mind that not only are they volunteers, they provide their equipment to the City at no cost. The team is approximately \$750 short of their goal. This equipment will allow the school production team to leave equipment at the City for easier set up for Council meetings, therefore, the City should assist in providing the funding necessary for this equipment.

Staff Recommendation: Approve up to \$500 for the Oak Ridge High School Video Production Team

Suggested Motion: I move that we approve \$500 for the Oak Ridge High School Video Production Team for video equipment.

Alternatives: Do not approve.

Fiscal Impact: \$600
