

**CITY OF BELLE ISLE, FLORIDA
CITY COUNCIL AGENDA ITEM COVER SHEET**

Meeting Date: March 27, 2024

To: Honorable Mayor and City Council Members

From: Yolanda Quiceno, City Clerk

Subject: Approval of Sol Avenue Rebuild Project 22FRP106 Standard Grant Agreement

Background:

In 2021, the City Council approved the Sol Avenue Rehabilitation Project. Sol Avenue has had problems with standing water and pavement deterioration due to the roadway and drainage being poorly designed and built. The subbase of clay and dirt allows groundwater to rise and damages the pavement, making the drainage insufficient. The project, which has been completed, includes the application of a new road base and geotextile to prevent flooding.

In 2023, we found that the grant with the State of Florida Department of Environmental Protection Standard Grant Agreement, Number 22FRP106, was not fully executed by the parties as intended and to reimburse the City for its full and satisfactory completion of the Project, the parties wish to enter into this Standard Grant Agreement to amend Section 2.a. of Attachment 2 to Standard Grant Agreement 22FRP106 to extend the reimbursement period for the Project.

Staff Recommendation: Accept the Standard Grant Agreement

Suggested Motion: I move to accept the Agreement and have the mayor execute the Standard Grant Agreement as presented.

Fiscal Impact: \$196,862 from state grant

Attachments: Proposed Agreement
