

**CITY OF BELLE SLE, FLORIDA  
CITY COUNCIL AGENDA ITEM COVER SHEET**

Meeting Date: November 19<sup>th</sup>, 2024

To: Honorable Mayor and City Council Members

From: Rick J. Rudometkin, City Manager

Subject: Temporary limited waiver of city permit fees related to Hurricane Milton

Background:

Due to damages caused by Hurricane Milton on October 9, 2024, the City Council has determined that it is in the best interest of the public, and the health, safety, and welfare of citizens, to authorize a temporary limited waiver of City building and zoning permit fees for Hurricane Milton related repair or replacement of roofs, screened enclosures, fencing, HVAC and electrical systems, swimming pool systems, marine structures, and solar collectors. This temporary limited waiver is only applicable to the collection of City Building permit and zoning fees, and does not relinquish the requirement that permits for repair and/or replacement must be applied for by the applicant and issued by the City of Belle Isle, nor does it apply to state and county fees. The temporary waiver goes through December 31, 2024

Staff Recommendation:

Approve temporary waiver of City building and zoning permit fees.

Suggested Motion: **I move to approve the temporary limited waiver of City building and zoning permit fees only through December 31, 2024.**

Alternatives: Do not approve.

Fiscal Impact: Minimal permit fee reduction
