## Converting Regal Park Into A Dog Park

#	RESPONSES	DATE
1	A portion of Regal Park could be dedicated as a dog park, but the whole thing seems ridiculous. The city spent all that money and is going to use it as a massive dog park???	1/8/2021 4:56 PM

11	There is a huge area fenced off at the corner of match it and Wallace. There is already a sign posted that asked people to pick up after their dog. It even has a sign with a picture of a dog and I assumed that was a dog park. It also has a bin in which to dispense doggie waste. If the one at regal doesn't work I think this would be even a better one because it's so large.	12/17/2020 5:12 PM

The dog owners would also have to honor people's rights to make sure that they are not bothered by other people's dogs since they maybe allergic to them. ## Converting Regal Park Into A Dog Park

#	RESPONSES	DATE
1	There are so many opportunities to improve the community with this piece of land. Currently it is under utilized and making it a "dog park" with no parking only benefits people that live nearby and have dogs. Terrible idea in my opinion.	1/8/2021 4:56 PM
2	I live in Belle Isle and have no problem with Regal Park becoming a dog park of either kind. However, I feel this decision should be predominantly supported by the residents that live close to this park. I do not and am likely not to frequent the park regardless. I also wonder what sort of liability this would present for the city when unleashed dogs are allowed.	12/30/2020 3:47 PM
3	We use the park with our kids and have no dogs. The park is nice as is.	12/26/2020 3:15 PM
4	Thank you for hearing our thoughts and including us	12/18/2020 8:15 AM
5	I assumed there was a designated dog park at the corner of Matchett and Wallace since there is a sign posted on the iron fence instructing people to pick up after their dogs and dispense the waste in the designated bin. Since this is not a designated dog park, I strongly endorse designating regal Park a specific dog park. If that does not work out, the area I referred to at matchett and wallace would be ideal since there is such a huge area.	12/17/2020 5:12 PM
6	This might open Belle Isle to a lawsuit and deprive others, who don't have dogs, of their use of the park.	12/17/2020 2:33 PM
7	I like to bring my kids to this safe area	12/17/2020 1:51 PM
8	None	12/17/2020 12:57 PM
9	I do not take my dog to a dog park because too often there are irresponsible pet owners. I don't trust all owners to properly vaccinate, pick up after, and control their dogs. It ruins it for those that do, but unfortunately it's the reality of things. I am not sure of liability issues, but it is just something that I don't think we need.	12/17/2020 12:49 PM
10	There is not enough parking at this park for taking dogs there	12/17/2020 12:44 PM
11	What good is the Dog park at Regal if there are not enough safe sidewalks and Cross walks to access the park?? Cart before the horse?	12/17/2020 12:29 PM
12	I do not live in that area so I would support the decision made by those that live close by.	12/17/2020 11:36 AM
13	I think this is a wonderful idea.	12/17/2020 11:25 AM
14	If I were the City Council I would focus on THREE other issues that I feel are more important and have a greater negative impact on Belle Isle Residents: 1. Restricting Left Turn during peak hours at Hoffner/Hansel on Eastbound direction. 2. Uniformed Officer assisting with traffic control on Hoffner where everyone turns to drop off/pick-up their kids at Cornerstone School during peak periods (approx. 1 hour). 3. Better parking control at the boat ramp of Hoffner. No Parking signs every 10' in from of the church doesn't look good for the church property. A more permanent solution such as steel or concrete posts might be more visually pleasing.	12/16/2020 2:30 PM
15	Ensure dog poop is regularly picked up.	12/14/2020 4:42 PM
16	As long as there were clear rules for parking, waste removal, repairs if the pet digs or defaces the park.	12/14/2020 1:00 PM

19	I currently make the not-short trip to Fleet Peoples Park if I want to take my dog to a park. As a resident on Homewood Drive, I would LOVE a dog closer to home	12/9/2020 10:19 PM
20	Regal Dog Park is a great idea and should not have restricted times as its too confusing. It should be open every day as a dog park since its my observation that most the use the park are with dogs anyway.	12/9/2020 8:19 AM

## Converting Regal Park Into A Dog Park

23	I'm not opposed to a dog park at Regal, but wouldn't want the entire park converted. Maybe 30-50% so at least some of the areas could be enjoyed by others. Adding a playground maybe.	12/7/2020 10:04 PM
24	Parking would more than likely become a created issue on the street off Hoffner near Regal Park. I don't think it is possible to designate dog hours. In addition if my family donated land, or money to help create a city park and then the city turn around and alter the premise for which it was created I would be disappointed. And I'd expect it would limit future residents investing in our city parks when it becomes common knowledge the city partners with you to obtain their goals but will change their spots after a given time and go a different direction.	12/7/2020 6:11 PM

27	A local dog park would benefit Belle Isle. I was the Director of a municipal animal shelter in NJ and a dog park was often requested. Bell Isle's population would be a good fit for one.	12/7/2020 11:24 AM

33	I think a dog park would be great. But not there. That park is too close to Hoffner to be safe in my opinion. 1st: IF a dog got out, it's just a few short steps to a very busy highway. 2nd: since that park is so close to the road, it could be a potential distraction for drivers who might be looking at the cute pups in the dog park. That road is problematic already. Although I am in favor of a dog park in Belle Isle, that's probably not the best choice for those reasons. IMO	12/6/2020 7:36 PM

56	After longtime Belle Isle & Lake Conway Estates residents Carol & Paul Kuck passed away, this property was made into a park in their honor and named after their boat & spa company, "Regal" boats/Regal Marine Industries. People bring their dogs already, and hopefully they are keeping their eyes on their pets and removing their poop! It's a lovely little park with a fountain and a swing and a great place for PEOPLE to enjoy some solitude in quiet natural surroundings. More dogs will ruin the park and it's mission. I would be interested in hearing what Paul & Carol Kuck's remaining family thinks about the park being converted as it is their family legacy.	12/5/2020 10:20 AM

73	Parking may be a problem but it would be nice for those who live within walking distance.	12/4/2020 10:51 PM
74	There is zero parking and a dangerous blind curve where people already speed and egress is minimal. This would create more traffic on a road that already cannot support it's load.	12/4/2020 9:53 PM
75	I do not see a need for a dog park in Belle Isle. Most residences have backyards and there are plenty of sidewalks for the owners to walk their dogs. Dog parks are a potential liability to the city as well if someone were to get bitten.	12/4/2020 9:48 PM
76	Vote no on this.	12/4/2020 9:48 PM

## Converting Regal Park Into A Dog Park

77	There is no parking on this residential street filled with children. And if it became a dog park which isn't big enough then BI residents in the area would not be able to use it as a space to exercise safely from vehicular traffic on high speed-ridden Hoffner, or to play/walk/stroll with children. Not all want to mix with dogs while exercising or walking with this young child. Let alone the many seniors in our community to have a safe space to walk and sit as needed with water fountain. Plus there are dog parks planned or existing nearby at Barber Park (a multi-use community park with ample parking). If COBI wants to create a dog park section off an area at Warren Park; One for larger dogs and one for smaller dogs. Regal Park is not large enough to section off two areas for small and large breed dogs. You cannot have all mixed...recipe for disaster. This all said from a COBI resident and dog owner.	12/4/2020 9:43 PM

84	Both parks have great potential, but are under used at this point. I do NOT believe preference should be given to CCA at Wallace Park—when so many other things have been suggested. Regal Park was done beautifully (good job COBI) but I rarely, honestly if ever, have seen anyone within the gates. It would be an interesting location, but the potential for unfortunate tragedy (highly traveled Hofner is not ideal for much having to do with animals) is high.	12/4/2020 7:46 PM

owners to pick up their dog's waste. In Lake Conway Estates (Regal is in LCE) at the Residents' Association lake lot, the property is posted "No Dogs Allowed" but that doesn't stop residents from allowing their dogs to run free and use it as a dog toilet. There is poop left behind regularly and it diminishes the use and enjoyment by members. There has never been a time when I have gone to Regal Park that I haven't seen dog poop that wasn't picked up. Because of its location, Regal could easily become a magnet for non-resident dog owners. NIMYBY!!!
