

LETTER OF CONCURRENCE FOR SETBACK WAIVER

TO: Scott and Judith Gentry (owner/applicant)
6319 Gibson Drive (address of project)
Belle Isle, FL 32809

File No.: _____

FROM: City of Belle Isle - Gene Polk Park (adjacent property owner)
1600 Nela Avenue
Belle Isle, FL 32809

Section 18-21.004(3)(d), Florida Administrative Code, provides:

Except as provided herein, all structures, including mooring pilings, breakwaters, jetties and groins, and activities must be set back a minimum of 25 feet inside the applicant's riparian rights lines. Marginal docks, however, must be set back a minimum of 10 feet. Exceptions to the setbacks are: private residential single-family docks or piers associated with a parcel that has a shoreline frontage of less than 65 feet, where portions of such structures are located between riparian lines less than 65 feet apart, or where such structure is shared by two adjacent single-family parcels; utility lines; bulkheads, seawalls, riprap or similar shoreline protection structures located along the shoreline; structures and activities previously authorized by the Board; structures and activities built or occurring prior to any requirement for Board authorization; **when a letter of concurrence is obtained from the affected adjacent upland riparian owner;** or when the Board determines that locating any portion of the structure or activity within the setback area is necessary to avoid or minimize adverse impacts to natural resources.

I hereby state that I am the owner of the adjacent upland riparian property located to the (north / south / east / west) of the facility or activity proposed to be constructed or conducted by Scott and Judith Gentry (the applicant), as shown in the above referenced file (and on the attached drawing). **I understand that the subject project will be located entirely within the applicant's riparian rights area, and I do not object to the proposed structure or activity being located within the area required as a setback distance from the common riparian rights line, as required by Chapter 18-21.004(3)(d), F.A.C.** This file shows the structure will be located entirely within the applicant's riparian rights area and within 5 feet of the common riparian rights line between our parcels.
