

Variance Request – Application Supplement

<p>*Standards of Variance Justification</p>	<p>Section 42-64 of the Land Development Code (LDC) states that no application for a Zoning Variance shall be approved unless the Planning and Zoning Board finds that all of the following standards are met. Please answer each bold-text question in a separate typed or written document and submit it to the City as part of your variance request.</p>
<p>Special Conditions and/or Circumstances Section 42-64 (1) d</p>	<p>The applicant must prove that literal enforcement of the provisions of the zoning ordinances would result in unnecessary hardship and that said hardship is created by special conditions and circumstances peculiar to the land, structure or building involved, including but not limited to dimensions, topography or soil conditions. WHAT ARE THE SPECIAL CONDITIONS AND CIRCUMSTANCES UNIQUE TO YOUR PROPERTY? WHAT WOULD BE THE UNNECESSARY HARDSHIP?</p>
<p>Not Self-Created Section 42-64 (1) e</p>	<p>The applicant must prove that the special conditions and circumstances do not result from the actions of the applicant. A personal (self-created) hardship shall not justify a variance; i.e. when the applicant by their own conduct creates the hardship alleged to exist, they are not entitled to relief. HOW WERE THE SPECIAL CONDITIONS NOTED ABOVE CREATED?</p>
<p>Minimum Possible Variance Section 42-64 (1) f</p>	<p>The applicant must prove that the zoning variance is the minimum variance that will make possible the reasonable use of the land, building or structure. CAN YOU ACCOMPLISH YOUR OBJECTIVE IN ANOTHER WAY? LIST ALTERNATIVES YOU HAVE CONSIDERED AND EVIDENCE AS TO WHY THEY ARE NOT FEASIBLE.</p>
<p>Purpose and Intent Section 42-64 (1) g</p>	<p>The applicant must prove that approval of the zoning variance will be in harmony with the general purpose and intent of the Code and such zoning variance will not be injurious to the neighborhood, not detrimental to public welfare, and not contrary to the public interest. WHAT EFFECTS WILL APPROVAL OF THE VARIANCE HAVE ON ADJACENT PROPERTIES OR THE SURROUNDING NEIGHBORHOOD? (FOR EXAMPLE: ADEQUATE LIGHT, AIR, ACCESS, USE OF ADJACENT PROPERTY, DENSITY, COMPATIBILITY WITH SURROUNDING LAND USES, TRAFFIC CONTROL, PEDESTRIAN SAFETY, ETC)</p>

*For a variance application from Sec. 50-102 (b) fences and walls, please also identify how you comply with the variance criteria identified in Sec. 50-102 (b) (16). Please note for a fence variance, you do not have to comply with Sec. 42-64 (1) d and (1) f.

ABOUT YOUR PUBLIC HEARING

The following information is provided to assist applicants in applying for a variance, special exception or use determination.

The City of Belle Isle's Planning and Zoning Board, which is comprised of seven (7) non-paid volunteer residents, meets on the fourth Tuesday of the month to hear various planning and zoning issues, including variances, special exceptions and use determinations. In recommending approval or denial of a request, the Board looks at each application individually to determine if the request meets the following criteria:

1. A written application for variance must be submitted to City Hall no later than 4:00 p.m. on the first Thursday of the month. The application must include:
 - a. the \$150.00 filing fee,
 - b. a completed application form,
 - c. proof of ownership of the property, or, a notarized statement from the owner with the representative's information,
 - d. 10 copies of a plot plan or survey showing all improvements to the property, 10 copies of a scale drawing of the planned construction, illustrated on the survey, and
 - e. for boat dock variances, the survey must clearly illustrate the 86.9 contour line of Lake Conway.
2. The literal enforcement of the provisions of the zoning ordinance would result in unnecessary hardship and that said hardship is created by special conditions and circumstances peculiar to the land, structure or building involved including, but not limited to, dimensions, topography or soil conditions.
3. Personal hardship is not being considered as grounds for a variance, since the variance will continue to affect the character of the neighborhood after the title to the property has passed, and that the special conditions and circumstances were not created in order to circumvent the zoning ordinance for the purpose of obtaining a variance.
4. The variance is the minimum variance that will make possible reasonable use of the land, building or structure.
5. The granting of the variance will be in harmony with the general purpose and intent of the zoning ordinances, will not be detrimental to the public welfare and will not be contrary to the public interest.

Applications submitted must meet all of the above criteria before the Board can grant a variance. The burden of proof is on the applicant to show compliance with the criteria.

A special exception addresses compatibility of uses, differing slightly from a variance. The approval of a special exception is dependent upon how the request affects the surrounding area. All uses allowed as special exceptions are listed within the individual zoning districts. Before the Board can approve a special exception, the request must meet all of the following criteria:

1. A written application for special exception must be submitted to City Hall no later than 4:00 p.m. on the first Thursday of the month. (See Above)
2. The Board shall make a finding that it is empowered under the section of the zoning ordinance described in the application to grant the special exception, and that granting of the special exception will not adversely affect the public interest.
3. It is determined that the public health, safety, comfort, order, convenience, prosperity, morals or general welfare is promoted, protected or improved.

General Information

1. Certain conditions may be prescribed on the special exception or variance approved by the Board.
2. The applicant must be present at all hearings.
3. Decisions rendered by the Board do not become final until fifteen (15) days after the hearing. The fifteen-day waiting period gives all aggrieved parties an opportunity to appeal the decision. Any person filing an appeal will submit, within fifteen (15) days of the decision, a notice stating where he or she feels the Planning and Zoning Board erred in their decision. An appeal hearing will then be held by Belle Isle's City Council.
4. Variances and special exceptions granted by the Board will become void if a permit necessary for utilization of the variance or special exception is not issued within six (6) months of the date approved by the Planning and Zoning Board
