SECTION 2: ADOPTION. The Comprehensive Plan of the City of Belle Isle is hereby amended to adopt a new Property Rights Element to read as follows:

PROPERTY RIGHTS ELEMENT
Goals, Objectives and Policies

GOAL 1:

The purpose and overall goal for the Property Rights Element is to signify respect for judicially acknowledged and constitutionally protected private property rights, and to ensure that those rights are considered in the City of Belle Isle's decision-making concerning land use and zoning matters.

Objective 1.1:

The following objective provides a framework for ensuring that private property rights are considered in local decisionmaking concerning land use and zoning matters.

Policy 1.1. The following rights shall be considered in decision-making by the City of Belle Isle concerning land use and zoning matters:

- 1) The right of a property owner to physically possess and control their interests in property, including easements, leases, or mineral rights.
- 2) The right of a property owner to use, maintain, develop, and improve his or her property for personal use or for the use of any other person, subject to state law and local ordinances.
- 3) The right of the property owner to privacy and to exclude others from the property to protect the owner's possessions and property.
- 4) The right of a property owner to dispose of his or her property through sale or gift.

This element is not intended to create any property rights or due process rights that are not already judicially acknowledged and constitutionally protected. This element is not intended to alter the legislative nature of decisions made in the adoption of comprehensive plan amendments and land development code amendments. This element is not intended to require discussion, evidence and findings of fact concerning the matters set forth herein. Ordinances adopted and land use and zoning decisions made by the City are presumed to have considered the matters set forth in this element.
