To Belle Isle Planning and Zoning,

I am writing you about the proposed variance for a metal garage that Mark Adams at 3104 Indian Drive Belle Isle, Florida 32812 wants to build in his backyard. I understand and consent to the variance request for his metal garage to be built in his backyard. I understand and consent to the location of the metal garage that Mark is hiring a company to build it in his backyard with panel direction and colors to look like his house.

ROBERT LANGLOTZ

3116 Indian Drive
