Approval for the Town Administrator to apply for grants for Town Projects	
Item Summary: The Town Administrator requests Town Council approval to apply for CDBG PY52. This yearly program offered by the County for low-to moderate-income areas provides funds for infrastructure projects within the Town of Bladensburg. This year, the Town will target roadway and sidewalk projects throughout the town. We have been successful in obtaining funding for these Town Infrastructure projects over the last few years, and with the support of Mr. Hall and Ms. Watson, we have successfully bid and completed several projects in FY 2025 and FY 2026.	
This resolution authorizes the application for funding and support for the Town's efforts. If funded, grant projects will occur in FY 2027.
