**SECOND READING:** Staff recommends the approval of Emergency Ordinance 13-2025, amends Chapter 112 of the Town Code by adding §112-14, which officially permits the Town, through the Bladensburg Police Department, to operate stop sign cameras in school zones, as authorized by Maryland law (§21-707.1 of the Transportation Article).

**Summary:** This ordinance amends Chapter 112 of the Town Code by adding **§112-14**, which officially permits the Town, through the Bladensburg Police Department, to operate stop sign cameras in school zones, as authorized by Maryland law (§21-707.1 of the Transportation Article). The system aims to enforce compliance with stop signs and reduce traffic violations in high-risk areas.

Key elements of the ordinance include:

- Authorization for the Town to implement stop sign cameras in school zones, pending **site approval by the Prince George's County Council**.
- A requirement for **public notice** before the system becomes active is currently posted on the Town's website and in the PG POST on May 1, 2025, a local newspaper of record.
- Empowerment of the Town Council to designate specific stop sign enforcement locations by resolution.

This public safety measure reflects the Town's commitment to protecting pedestrians and encouraging safer driving behavior, especially around schools. As the process moves forward, updates on camera installation timelines and enforcement locations will be provided. **The Town will be updating a separate Ordinance on penalties, fees, and fines that will be brought to the Town Council in June 2025.**

If you have any questions regarding this matter, the Town Administrator or the Police Chief can answer them.
