Recommended Action:
The approval of this resolution for the disposal of surplus Police Department vehicles.

Summary: The Town Administrator proposes to dispose of three (3) surplus Bladensburg Police Department vehicles to ensure the most efficient and transparent process, with the best possible value return to the Town. The resolution will authorize the following actions: 1. Authorization of Surplus Vehicle Disposition The Town hereby declares the attached identified vehicles as surplus property to be disposed of in accordance with the resolution. 2. Designation of Disposal Method The Town Administrator is authorized to sell the surplus vehicles through a municipal auction vendor. The selected vendor shall assist with sales, marketing, and the transfer of titles to the respective purchasers. 3. Compliance with Legal Requirements The Town Administrator shall ensure that all surplus vehicles are disposed of in compliance with the applicable local, state, and federal laws governing municipal property disposition. 4. Financial Management All proceeds from the sale of the surplus vehicles shall be deposited into the appropriate Town accounts as determined by the Town's financial policies. The disposal will allow the Police Department to focus its efforts on the current fleet. Each vehicle has reached an advanced age/mileage and the estimated cost of repair meets or exceeds its current value, as detailed on the attached List of Vehicles. Attached is a copy of the list of surplus vehicles for the Town. The vehicles will be disposed of during FY 2026, and the proceeds will go into the MISC REVENUES line item. If there are any questions, staff will be available to answer them.
