# Introduction

The Town of Bladensburg is facing a budget shortfall this year and will continue through FY26.

## Reasons | Loss of Revenues:

- ARPA funding is no longer available to fund some items
- Traffic Enforcement revenue shortfalls, which have resulted in more reliance on General Fund revenues by Public Safety

## Reasons | Growing Expenditures:

- Most of the Town expenditures are related to personnel and services
  - Expenses for services and staffing have grown since FY 21
  - Expenses related to commodities have increased
  - Insurance costs have also risen sharply over the same period of time.

# General Information

## Saving Measures for FY26 Budget

- A freeze on vacant positions until June 2026 (excluding essential positions)
- Limited to No COLA increases and Merit increases for staff
- Changes to work schedules and hours for Administrative Positions (Public Safety and Public Works excluded)
- Overall reductions to discretionary spending
- No new Capital Purchases
  - The Council could evaluate capital purchases mid-year (December 2025), if the budget situation improves, we can add these to the budget related to public safety.

# Savings and Revenue

The Town of Bladensburg staff has developed a few scenarios that will do the following:

- Cut town expenditures on discretionary and non grant funded Capital projects.
- Increase the employee contributions to healthcare costs and take-home vehicles
- Freeze and decrease overall personnel spending
- Keep residential (Homeowners) taxes at the same rate (not changed in over 13 years)

Revenue Increases will occur by implementing the following:

- Raise Tax rates for Commercial and Industrial properties (last changed in over 13 years ago)
- Raise Tax rates for Apartment
- Increase Business License Fee (last changes in 2017)
- Changes to Utility and Personal Property taxes
