MESSAGE FROM THE CHIEF

Strengthening Public Relations for a Safer, Vibrant Community

I would like to extend my deepest appreciation to the dedicated men and women of the Bladensburg Police Department for their unwavering commitment to providing 21st Century police services to the residents of Bladensburg and our surrounding communities.

Our success in maintaining a safe and vibrant town is the direct result of the strong partnerships and lasting relationships we have built with our residents, businesses, faith leaders, and community partners. These connections empower us to work hand-in-hand for the betterment of Bladensburg, and for that, I am profoundly grateful.

Serving as your Chief of Police is both a privilege and an honor. I am humbled by the opportunity to serve in a community that embodies true spirit and pride where people live, work, and visit knowing that safety and community are our shared priorities. I look forward to continuing our collaborative efforts with the Town of Bladensburg Council as we enhance public safety, strengthen trust, and foster growth. Since 2020, we have navigated unprecedented challenges from the COVID 19 pandemic to economic and social hardships that have touched every part of our community. Many of us have experienced personal losses during this time, and we continue to keep those families in our thoughts and prayers.

We also witnessed, in 2021, the tragic events at the U.S. Capitol an attack that struck at the heart of our democracy and directly impacted the law enforcement community. We remain forever grateful to the brave first responders who acted swiftly to protect lives and uphold our nation's institutions.

As we look to the future, our mission is clear: to strengthen trust, deepen relationships, and ensure the safety and well-being of every resident. The trust you place in us is our most valued asset, and we are committed to honoring it through transparency, professionalism, and service. On behalf of the entire Bladensburg Police Department, I wish you and your families continued health, peace, and safety. Together, we will keep building a stronger, safer, and more united community.

"Change is not for the faint of heart. Change requires tenacity, respect, trust, and a willingness to learn. Respect for those impacted by the change and trust that both the leader and the led are working together for the good of the organization." (Author unknown)

We Are Bladensburg Strong and Proud!
