Item Summary:

This item was developed to provide the Council and the Public with an overall update on the work done at Bostwick House. In July 2024, the Council requested a listing of grant funding. With the help of our Historic Preservation Consultant, the staff put together the attached worksheet, which has also been included in a PowerPoint.

Town staff continues to work on stabilization projects and use the existing Bond Bill funding.

The Town Administrator will be able to answer questions from the Council.
