**Subject:** 2026 Police Vehicle Budget Info from Jordan at New Holland Auto

Hi Roger,

Here are some Estimated Budget Numbers that you can use for budgeting planning purposes and buffer in addition at your own discretion.

Once the budget gets approved and vehicle preference get narrowed down you can reach back out, and I can put together formal Quote that you can sign off on at that time based on vehicle availability.

I kept the pricing the same as your 2025s to assist in an easier approval.
