WHEREAS, the Parties desire to enter into this Agreement, whereby NG will (i) install and assist the Customer in the administration and operation of the Systems, as described in more detail on **Exhibit A** to this Agreement at the locations within the Customer’s jurisdiction, and provide to the Customer the services (the “**Services**”), all as more fully described on **Exhibit A**, and (ii) in connection with the Services, license certain software and lease certain equipment to the Customer.

NOW, **THEREFORE**, in consideration of the mutual terms, covenants, and conditions contained herein, and other good and valuable considerations, the receipt and sufficiency of which are hereby acknowledged, the Parties, intending to be legally bound, agree as follows:

1. **RECITALS AND EXHIBITS.** The foregoing recitals are true and correct and are hereby incorporated in *haec verba*. All exhibits attached to this Agreement contain additional terms of this Agreement and are hereby incorporated in *haec verba*.

2. **INTENTIONALLY OMITTED.**

3. **SERVICES**

3.1. NG agrees to use commercially reasonable efforts to install and provide to the Customer for the Term the Systems (the “**Equipment**”) and software (the “**Software**”) to be supplied and installed by NG in accordance with **Exhibit A** (including the provision of all construction drawings, permit applications and other documents required by applicable law for the installation and operation of the

System(s)). In addition, if and to the extent set forth in *Exhibits A, B, C, and D*, NG shall also supply to the Customer:

- 3.1.1.** citation preparation processes that assist the Customer in complying with current applicable law;
 - 3.1.2.** training of personnel designated by the Customer involved with the operation of the Systems and/or the enforcement and disposition of citations;
 - 3.1.3.** expert witness testimony regarding the operation and functionality of the System; and
 - 3.1.4.** other support services for the System as set forth in *Exhibit A*.
- 3.2.** If and to the extent the Customer has or obtains during the Term custody, possession, or control over any of the Equipment or Software, the Customer agrees:
 - 3.2.1.** such Software, if manufactured or licensed by NG, is supplied under the license set forth in *Exhibit B* (the “License”) to which the Customer agrees;
 - 3.2.2.** such Software, if manufactured by third parties, is supplied under third-party licenses accompanying the Software, which licenses the Customer acknowledges receiving and to which it hereby agrees; and
 - 3.2.3.** such Equipment is supplied under the lease terms set forth in *Exhibit C* (the “Lease”) to which the Customer hereby agrees.
- 3.3.** The Customer understands and agrees that (i) NG may, subject to the prior approval of the Customer, which approval shall not be unreasonably delayed, conditioned or withheld, subcontract with third parties for the provision or installation of part or parts of the Systems or Services and (ii) installation of the Systems requires the Customer’s cooperation and compliance with NG’s reasonable instructions (including but not limited to Customer’s provision of the personnel, equipment, engineering plans, and other resources as described in *Exhibit A* or as otherwise reasonably requested by NG) and reasonable access by NG (or such third parties) to Customer premises and systems and the Customer agrees to provide all of the foregoing to NG.
- 3.4.** The Customer understands and agrees that the Systems will be owned by NG (or its designees). The Customer shall use its best efforts to assist NG to identify any third-party who is responsible for damage to the Systems or any part thereof.
- 3.5.** NG shall coordinate its work with the Customer’s police, public works, engineering and finance departments and the Prince George’s County courts and Court clerk’s

office, and, as necessary or required, with the State Department of Transportation and any other department of the State, as requested.

4. TERM

The effective date of this Agreement shall be the date first written above (the “Effective Date”). The initial term (the “Initial Term”) of this Agreement, the License and the Lease shall begin upon the Effective Date, following full execution of the Agreement by the Parties, and end at the expiration of the third (3rd) years after the System is operational and issuing payable violations, (the “Commencement Date”), with the option on the part of the Customer of two additional, consecutive one-year renewals.

5. TERMINATION AND EXPIRATION

5.1. This Agreement may be terminated by mutual written consent of the Parties.

5.2. This Agreement may be terminated for cause, by either Party if the other Party fails in any material way to perform its obligations under the Agreement or otherwise defaults in the performance of any obligation under this Agreement and such failure or default continues for more than forty-five (45) days after written notice thereof to the defaulting Party.

5.3. NG may terminate this Agreement, without liability, on thirty (30) days advance written notice if NG concludes in its reasonable discretion that (i) potential or actual liability of NG to third parties (other than persons claiming to own Intellectual Property required for the operation of the System) arising out of or in connection with the System makes the program impractical, uneconomical, or impossible to continue.

5.4. The Customer may terminate this Agreement on thirty (30) days advance written notice if the Customer concludes in its reasonable discretion that (i) potential or actual liability of the Customer to third parties or NG arising out of or in connection with the System makes the program impractical, uneconomical, or impossible to continue; (ii) a change in state or federal law arising out of or in connection with the System makes the program impractical, uneconomical or impossible to continue; and/or (iii) the Systems cannot be installed or if the lease of the System is not funded by the Bladensburg City Council.

5.5 The Customer may terminate this Agreement upon fifteen (15) days written notice to NG if more than 5% of Events issued by Customer are Erroneous Violations in any two consecutive quarters regardless of whether or not they fall in the same calendar year (January 1 through December 31), or if NG violates the law in implementing this Agreement.

5.6 If the Contract is terminated by the Customer as provided in this Section 5, NG will be paid on a pro-rata basis for work satisfactorily performed. The termination will apply to all services, including collections.

5.7 Upon termination or expiration of this Agreement, the Parties recognize that the Customer will have to process violations in the “pipeline,” and that NG accordingly must assist the Customer in this accord. Accordingly, the Parties shall take the following actions during the wind-down period, and shall have the following obligations, which obligations shall survive termination or expiration of the Agreement:

5.7.1 The Customer shall cease using the Software and Equipment in its possession, custody or control and shall (a) immediately allow NG a reasonable opportunity to remove such Equipment not to exceed sixty (60) days and (b) (i) immediately deliver to NG or irretrievably destroy, or cause to be so delivered or destroyed, any and all copies of such Software in whatever form and any written or other materials relating to such Software in the Customer’s possession, custody or control and within thirty (30) days deliver to NG a certification thereof or (ii) allow NG reasonable access to the System(s) on which such Software is loaded and permission to NG to remove such Software and documentation.

5.7.2 Unless directed by the Customer not to do so, NG shall continue to process all images taken by the Customer before termination and provide all services associated with processing in accordance with this Agreement and shall be entitled to reasonable fees specified in the Agreement as if the Agreement were still in effect.

5.8 Notwithstanding anything to the contrary contained herein, or in the License or the Lease, but except as provided in Section 25, the License and the Lease shall terminate upon the termination or expiration of this Agreement.

6. MONTHLY PAYMENT

The Customer agrees to pay NG as follows (the “**Monthly Revenue Disbursement**”):

6.1. **Monthly Revenue Disbursement** as described in *Exhibit D* (Compensation & Pricing). Disbursements will be monthly in arrears for each approach at which a system has been installed, tickets issued, and payments received. Such disbursements shall be due on the first business day of the month following Commencement of Operations. For purposes of this agreement, “**Commencement of Operations**” shall mean the first full day that the System issues events for processing and notices of violation. It shall continue on the first business day of

each month for the Term or until this Agreement is terminated or such payment is modified in accordance with Section 4.2.

- 6.2.** In the event that the United States Postal Service increases applicable First-Class Mail and/or Certified Mail postage, NG may invoice the Customer for the increased postage actually paid by NG in connection with this Agreement. For example, if First Class Mail postage were increased by \$0.02, and NG mailed 1,000 notices, NG would invoice the Customer \$20.00.
- 6.3.** Payment of all fees and other charges owed pursuant to this Agreement is due as set forth above, and, to the extent invoice is required, within thirty (30) days after receipt of the invoice. Invoices will be sent to the Customer at:

tcollington@bladensburgmd.gov
cdaves@bladensburgmd.gov

7. RESPONSIBILITIES OF THE CUSTOMER

- 7.1.** The Customer shall provide NG with any “as built” drawings in electronic format (AutoCad) that are available at no cost to the Customer and shall consider for approval NG’s engineering drawings without unusual or unreasonable cost or delay.
- 7.2.** The Customer shall diligently prosecute citations in court at its own expense. NG shall, at its own expense, participate in any proceeding challenging the use of the System or validity of its results and/or use of the U.S. Mails to deliver the citation.
- 7.3.** The Customer will cooperate with NG in obtaining electrical connections at the roadside and NG shall pay all costs associated with such connection and shall pay for all power required by the System.
- 7.4.** To allow for proper operation of the System, when known to the Customer, the Customer shall provide NG with advance written notice of any modifications proposed to intersections or roadways, including traffic signal operations, after installation of a System. In the event any such intersection or roadway modification requires a material change to the System, the Customer shall pay the costs reasonably incurred by NG to adapt the affected video monitoring system(s) or fixed speed enforcement unit(s) to make such video monitoring system(s) or fixed speed enforcement unit(s) compatible therewith. Notwithstanding the above, NG makes no guarantee that it will be able to make any such adaptation. In the event that NG is unable to adapt the affected System, then both parties shall be relieved of any further obligations under this Agreement with respect only to the affected

System. In addition, NG does not, and will not, make recommendations or otherwise manage the configuration or operation of the intersection traffic light system.

- 7.5. During the Term, except as expressly permitted by this Agreement the Customer shall not use the System, or allow the System's use by a third party, without the prior written permission of NG. Such permission shall not be unreasonably withheld by NG.

8. SUBCONTRACTORS

- 8.1. NG shall supervise and direct the Services described on *Exhibit A*, using NG's best skill and attention as approved by the Customer. NG shall be solely responsible for all methods, techniques, sequences, and procedures and shall coordinate all portions of the Services provided hereunder. Customer will deal only through NG, who shall be responsible for the proper execution of the Services.
- 8.2. Any subcontractor relationships or assignment not identified herein or in *Exhibit A* as part of this Agreement, must first be approved by Customer.
- 8.3. A subcontractor ("Subcontractor") is a person or organization that has a direct contract with NG to perform any of the Services. NG agrees that it is as fully responsible to Customer for the acts and omissions of Subcontractors and of persons either directly or indirectly employed by NG as it is for the acts and omissions of persons directly employed by it. Nothing contained in this Agreement, or any other document associated with the performance of the Services shall create any contractual relation between any Subcontractor and Customer.
- 8.4. NG shall assign only competent personnel to perform any portion of the Services. If at any time Customer, in its sole discretion, desires the removal of any person or persons assigned by NG to perform the Services, NG shall remove such person or persons immediately upon receiving written notice from Customer. If any person is identified in this Agreement (or any attachment hereto), NG shall not remove, replace, substitute, or otherwise change any key personnel without the prior written consent of Customer.
- 8.5. NG shall be responsible to Customer for the acts and omissions of NG's employees, subcontractors, and their agents and employees, and any other persons performing any of the Services under a contract with NG.
- 8.6. NG agrees to bind every Subcontractor and every Subcontractor agrees to be bound by the terms of this Agreement as to that portion of the Services performed by Subcontractor, unless specifically noted to the contrary in a subcontract approved in writing by Customer. Subcontractor agrees to be bound to NG by the terms of this Agreement and to assume toward NG all of the obligations and responsibilities that NG assumes toward Customer. NG agrees to be bound to the Subcontractor by

all of the obligations that Customer assumes to NG under this Agreement as to the portion of the Services performed by Subcontractor.

9. LIMITED WARRANTY AND LIMITATION ON DAMAGES

9.1. NG warrants that the System's functionality will conform in all material respects to the description of the System set forth on *Exhibit A*.

9.2. EXCEPT AS SPECIFICALLY PROVIDED HEREIN, NG HEREBY DISCLAIMS ALL OTHER WARRANTIES, WHETHER EXPRESS OR IMPLIED, ORAL, OR WRITTEN, WITH RESPECT TO THE SERVICES AND SYSTEM, INCLUDING, WITHOUT LIMITATION, ALL IMPLIED WARRANTIES OF TITLE, NON-INTERFERENCE WITH ENJOYMENT, MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE AND ALL WARRANTIES IMPLIED FROM ANY COURSE OF DEALING OR USAGE OF TRADE. THE CUSTOMER ACKNOWLEDGES THAT EXCEPT AS EXPRESSLY PROVIDED HEREIN NO OTHER WARRANTIES HAVE BEEN MADE TO CUSTOMER BY OR ON BEHALF OF NG OR OTHERWISE FORM THE BASIS FOR THE BARGAIN BETWEEN THE PARTIES.

9.3. The Customer acknowledges and agrees that:

9.3.1. The Systems may not detect every violation;

9.3.2. Since the System may flag as a violation conduct that is in fact, not a violation, the output of the System will require review, and approval by personnel appropriately qualified and authorized by the Customer under applicable law prior to the issuance of any citation;

9.3.3. The System has no control over, and relies on the proper functioning of equipment for signal light changes, which equipment is provided by entities other than NG;

9.3.4. The proper functioning of the System requires the Customer's full and complete compliance with the Systems' operating instructions, which it hereby agrees to do; and

9.3.5. NG shall not be responsible for the configuration and/or operation of any intersection traffic light or school zone beacon systems if applicable. NG shall have no liability or obligations with respect thereto.

10. INDEMNIFICATION AND INSURANCE

- 10.1.** NG shall at all times comply with all federal, state and local laws, ordinances and regulations and shall comply with the maintenance procedures and manufacturer's recommendations for operation of the Systems which affect this Agreement, and shall indemnify and save harmless the Customer against any claims, arising from NG's violation of any such laws, ordinances and regulations or any claims arising from NG's performance of this Agreement, including as a result of the negligence or willful misconduct of NG, its officers and directors, agents, attorneys, and employees, but excluding any employees or agents of Customer.
- 10.2.** NG agrees to indemnify, defend, and hold harmless the Customer from any claim of damages (including the payment of reasonable attorneys' fees) by a third party arising solely from either (a) a finding that the System infringes any validly issued United States patent or (b) NG's negligence, provided that such claim of damages is not attributable to (i) any act or omission set forth in Section 9.3 or (ii) any third-party software or other third-party products used with, required for use of, or supplied under their own names with or as part of the System. If, as a final result of any litigation of which NG is obligated to indemnify, the use of the System by the Customer is prevented, in whole or in part, by an injunction, NG's sole obligation to the Customer as a result of such injunction shall be, at NG's option, either to (i) replace such part as has been enjoined, or (ii) procure a license for NG or the Customer to use same, or (iii) remove same and terminate this Agreement at no additional cost to the Customer.
- 10.3.** Notwithstanding anything in this Agreement to the contrary, NG assumes no obligation or liability for any claim of damages (including the payment of reasonable attorneys' fees) by a third party arising from or related to (i) any modification of the System made by the Customer that was not authorized by NG, (ii) the negligence or intentional act of the Customer, (iii) the failure to function properly of any hardware, software or equipment of any kind used by, in or on behalf of the Customer (other than that supplied by NG), (iv) the review and analysis of the System data output by the Customer personnel for citation preparation, or (v) the Customer's use and/or administration of any traffic signal.
- 10.4.** The rights of the Customer to seek indemnification under this Section 8 shall be conditioned upon (i) the Customer notifying NG promptly upon receipt of the claim or action for which indemnification is sought and (ii) the Customer's full cooperation with NG in the settlement or defense of such claim or action at no cost to the Customer. The Customer agrees not to charge NG for the time of the Customer's personnel engaged in such cooperation. Such cooperation shall include, but not be limited to, the Customer providing access for, and permission to, NG for the purpose of the replacement of such part or parts of Systems as NG

may deem necessary or desirable. The Customer may participate in the defense of any indemnified matter through counsel of its own choice.

10.5. NG shall maintain the following minimum scope and limits of insurance:

NG shall purchase and maintain during the life of this Agreement, insurance coverage which will satisfactorily insure NG against claims and liabilities which arise because of the execution of this Agreement, with the minimum insurance coverage as follows:

- a. **Commercial General Liability Insurance**, with a limit of \$1,000,000 for each occurrence and \$2,000,000 in the general aggregate.
- b. **Automobile Liability Insurance**, with a limit of \$1,000,000 for each accident, combined single limit for bodily injury and property damage.
- c. **Worker's Compensation Insurance and Employer's Liability Insurance**, in accordance with statutory requirements, with a limit of \$500,000 for each accident.
- d. **Professional Liability Insurance**, with a limit of \$1,000,000 for each claim and aggregate.

NG shall not commence work on the goods/non-professional services until a Certificate of Insurance has been submitted to the Town showing proof that NG has obtained the necessary insurance coverage.

Certificates must specifically cite the following provisions:

- i. Customer, its agents, representatives, officers, directors, officials, and employees must be named an Additional Insured under the following policies:
 - a) Commercial General Liability
 - b) Auto Liability
- ii. NG's insurance must be primary insurance as respects performance of subject contract.
- iii. All policies, except Professional Liability Insurance, if applicable, waive rights of recovery (subrogation) against Customer, its agents, representatives, officers, directors, officials and employees for any claims arising out of work or services performed by NG under this Agreement.

If any of the above cited policies expire during the life of this Agreement, it is NG's responsibility to forward renewal Certificates within ten (10) days after the renewal date containing all the aforementioned insurance provisions.

11. CHANGE ORDERS OR ADDITIONAL SERVICES. Changes to Services and additional Systems may be added to this Agreement by mutual consent of the Parties in writing as an addendum to this Agreement. The Customer and NG agree that should legislation or local ordinance be enacted to enable new photo enforcement solutions within the Customer's jurisdiction, the Customer shall have the option to negotiate services and fees and issue a change order to cover such services.

12. CONFIDENTIAL AND PROPRIETARY INFORMATION; PUBLIC RECORDS LAW COMPLIANCE.

12.1.The Parties agree that they shall comply with the public records disclosure provisions of §§ 4-101 through 4-601, General Provisions Article, Annotated Code of Maryland.

12.2.NG agrees that:

12.2.1.All information obtained by NG through operation of the Systems shall be made available to the Customer at any time during NG's normal business hours, excluding Proprietary Information not reasonably necessary for the prosecution of citations or fulfillment of the Customer's obligations under this Agreement.

12.2.2.It shall not use any information acquired from the performance of the Services contemplated in this Agreement, including without limitation, information with respect to any violations, violators, information obtained from recorded images or information concerning the Customer's law enforcement activities for any purpose other than for the benefit of the Customer.

12.3.No information given by NG to the Customer will be of a confidential nature, unless specifically designated in writing as "Proprietary Information" and expressly exempt from public records disclosures required by §§ 4-101 through 4-601, General Provisions Article, Annotated Code of Maryland.

12.4.As used in this Agreement, the term "Proprietary Information" shall mean all trade secrets or confidential or proprietary information designated as such by NG, whether by letter or by the use of an appropriate proprietary stamp or legend, prior to or at the time any such trade secret or confidential or proprietary information is disclosed by NG to the Customer. In addition, the term "**Proprietary Information**" shall be deemed to include: (a) any notes, analyses, compilations, studies, interpretations, memoranda, or other documents prepared by the Recipient which contain, reflect or are based upon, in whole or in part, any Proprietary Information furnished to the Recipient.

12.5.The Customer shall use the Proprietary Information only for the purpose of fulfilling its duties hereunder (the “**Purpose**”) and such Proprietary Information shall not be used for any other purpose without the prior written consent of NG. “Purpose” shall be deemed to not include any disclosure of the Proprietary Information to any person or entity. The Customer shall hold in confidence, and shall not disclose to any person or entity, any Proprietary Information nor exploit such Proprietary Information for its own benefit or the benefit of another without the prior written consent of NG.

12.6.Notwithstanding anything contained in this Agreement to the contrary, this Agreement shall not prohibit the Customer from disclosing Proprietary Information to the extent required in order for the Customer to comply with applicable laws and regulations, provided that the Customer provides prior written notice of such required disclosure to NG.

12.7.In accordance with §§ 4-101 through 4-601, General Provisions Article, Annotated Code of Maryland, NG shall:

- (a) Keep and maintain all records related to performance of services under this Agreement.
- (b) Upon request from the Customer’s custodian of public records, provide the Customer with a copy of the requested records or allow the records to be inspected or copied within a reasonable time or as otherwise provided by law.
- (c) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the Agreement term and following completion of the Agreement if the NG does not transfer the records to the Customer.
- (d) Upon completion of the Agreement, transfer, at no cost, to the Customer all public records in possession of NG or keep and maintain public records related to the performance of services under this Agreement. If NG transfers all public records to the Customer upon completion of the Agreement, NG shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If NG keeps and maintains public records upon completion of the Agreement, NG shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the Customer, upon request from the Customer’s custodian of public records, in a format that is compatible with the information technology systems of the Customer.

(e) IF NG HAS QUESTIONS REGARDING THE APPLICATION OF §§ 4-101 THROUGH 4-601, ANNOTATED. CODE OF MARYLAND, TO NG'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS AGREEMENT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT: Town Clerk, Town of Bladensburg, 4229 Edmonston Rd, Bladensburg, Maryland 20710.

13. AUDIT PROVISION.

13.1.All records relating in any manner whatsoever to the Project, or any designated portion thereof, which are in the possession of NG, or any of NG's independent contractors, associates, and/or subcontractors, shall be made available for inspection and copying upon written request to the Customer. Additionally, said records shall be made available upon request by the Customer to any state, federal or other regulatory authorities and any such authority may review, inspect, and copy such records. Said records include, but are not limited to, all plans, specifications, submittals, correspondence, minutes, memoranda, tape recordings, videos, or other writings or things which document the Project, its design, and its construction. NovoaGlobal shall maintain and protect these records for no less than **seven (7) years** after the completion of the Project, or for any longer period of time as may be required by applicable law, good professional practice, and upon notice during the pendency of any claims or litigation arising from the Project.

13.2.Customer, or its assigns, may audit all financial and related records (including digital) associated with the terms of the contract or agreement. Customer may further audit any of NG's records to conduct performance audits (to identify waste and abuse or to determine efficiency and effectiveness of the contract or agreement), or to identify conflicts of interest.

13.3.NG shall at all times during the term of the contract or agreement, and for a period of seven (7) years after the end of the contract, keep and maintain records of the work performed pursuant to this contract or agreement. This shall include proper records of quotations, contracts, correspondence, invoices, vouchers, timesheets, and other documents that support actions taken by NG. Documents shall be maintained by NG, which are necessary to clearly reflect all work and actions taken. All such records shall be maintained in accordance with general accepted accounting principles. NG shall, at its own expense, make such records available for inspection and audit (including copies and extracts of records as required) by the Customer at all reasonable times and without prior notice.

13.4.The obligations of this Section shall be explicitly included in any subcontracts or agreements formed between NG and any subcontractors or suppliers of goods or

non-professional services to the extent that those subcontracts or agreements relate to fulfillment of NG's obligations to the Customer.

13.5. Costs of any audits conducted under the authority of this section and not addressed elsewhere will be borne by the Customer, unless the audit identifies significant findings that would benefit the Customer. NG will reimburse the Customer for the total costs of an audit that identifies significant findings that would benefit the Customer.

13.6. This Section shall not be construed to limit, revoke, or abridge any other rights, powers, or obligations relating to audit which the Customer may have by Federal, State, or Municipal law, whether those rights, powers, or obligations are express or implied.

14. INDEPENDENT CONTRACTOR; NO AGENCY.

14.1. It is understood that NG is an independent contractor and not an agent or employee of the Customer for any purpose including, but not limited to, federal tax and other state and federal law purposes. NG assumes responsibility for payment of all federal, state, and local taxes imposed or required of NG under unemployment insurance, Social Security, and income tax laws. NG shall be solely responsible for any worker's compensation insurance required by law and shall provide the Customer with proof of insurance upon demand. In the event that NG is deemed not to be an independent contractor by any local, state, or federal governmental agency, NG agrees to indemnify and hold harmless the Customer for any and all fees, costs, and expenses, including, but not limited to, attorneys fees incurred thereby. The parties agree that the Customer shall not:

14.1.1. Pay dues, licenses, or membership fees for NG; Control the method, manner, or means of performing Services under this Agreement, except as otherwise specified herein; or

14.1.2. Restrict or prevent NG from working for any other party.

14.1.3. Be responsible for the payment of any tax, license, fee, or payment owed by NG.

14.2. Neither party has the right or the power to enter into any contract or commitment on behalf of the other party, including entering into agreements with third parties, exercising incidents of ownership with respect to property owned by the Party or executing contracts binding upon the other Party.

14.3. NG is an independent contractor providing services to the Customer and the employees, agents and servants of NG shall in no event be considered to be the

employees, agents, or servants of the Customer. Except as expressly provided herein, this Agreement is not intended to create an agency relationship between NG and the Customer.

15. NOTICES.

15.1. Any notices or demands which under the terms of this Agreement or under any statute must or may be given or made by NG or the Customer shall be in writing and shall be given or made by personal service, email and first class mail, a nationally recognized overnight carrier, or by certified mail return receipt requested to the Parties at the address specified in the preamble to this Agreement and as set forth below.

15.2. Except as otherwise specified, all notices, payments and reports hereunder shall be deemed given and in effect as of the date of mailing or transmission, as the case may be, when sent by next day delivery or courier service, postage pre-paid, or three (3) days after the date of mailing when sent by first class mail, postage pre-paid, addressed in all such cases to the President of NG at the address in the preamble or the Chief of Police and Town Clerk of the Customer at the address set forth below, or to such other addresses as the Parties may from time to time give written notice of as herein provided.

16. NONDISCRIMINATION. NG agrees to comply with all federal, state, and local non-discrimination laws and regulations. NG agrees not to discriminate against any participant in this Agreement on the basis of race, color, religion, sex, age, or national origin. NG further agrees to comply with all federal, state, and local laws regarding treatment and accommodations for individuals with disabilities.

17. ASSIGNMENT. Neither Customer nor NG shall assign any rights or duties under this Agreement without the prior written consent of the other Party. Unless otherwise stated in the written consent to an assignment, no assignment will release or discharge the assignor from any obligation under this Agreement. Nothing contained in this Article shall prevent NG from employing independent contractors, associates, and subcontractors to assist in the performance of the Services; however, other agreements to the contrary notwithstanding, in the event NG employs independent Contractors, associates, and subcontractors to assist in performance of the Services, NG shall be solely responsible

for the negligent performance of the independent contractors, associates, and subcontractors so employed.

18. **AMENDMENT AND MODIFICATION.** This Agreement may be modified or amended from time to time by the Parties, provided, however, that no modification or amendment hereto shall be effective unless it is stated in writing, specifically refers to this Agreement and is executed by both Parties.
19. **WAIVER.** A waiver by either Customer or NG of any breach of this Agreement shall be in writing. Customer's failure to insist on performance of any of the terms or conditions of this Agreement or to exercise any right or privilege, or Customer's waiver of any breach does not waive any other terms, conditions, or privileges, whether of the same or similar or different type.
20. **FORCE MAJEURE.** Neither Customer nor NG shall be considered in default of the Agreement for delays in performance caused by circumstances beyond the reasonable control of the nonconforming party. For purposes of this Agreement, such circumstances include abnormal weather conditions; floods; earthquakes; fire; epidemics; war, riots, or other civil disturbances; sabotage; judicial restraint; discovery of unanticipated hazardous wastes; and inability to procure permits, licenses, or authorizations from any local, state, or federal agency for any of the supplies, materials, accesses, or services required to be provided by either Customer or NG under this Agreement, and acts or omissions of (i) non-subcontractor third-parties and (ii) third party equipment, telecommunications and software suppliers. Should such circumstances occur, the nonconforming party shall, within a reasonable time of being prevented from performing, give written notice to the other party describing the circumstances preventing continued performance and the efforts being made to resume performance of the Agreement. If NG is delayed in the performance of the services for more than three hundred sixty-five (365) calendar days, either by the Customer or circumstances beyond its control, an equitable adjustment to the contract amount can be made to compensate for additional costs incurred.

For delays in performance by NG caused by circumstances which are within its control, such delays shall be documented and presented to the Customer at the conclusion of Term and acknowledged by both Customer and NG. Completed form shall be retained by Customer for a period of seven years and reviewed prior to NG selection for future Customer projects. In the event NG is delayed in the performance of Services because of delays caused by Customer, NG shall have no claim against Customer for damages or contract adjustment other than an extension of time.

22. **GOVERNING LAW; JURISDICTION; VENUE.** The parties agree that this Agreement is consummated, entered into, delivered and to be performed in Prince George County,

Maryland. Notwithstanding conflicts of laws provisions, this Agreement has been and is to be governed by, construed, interpreted, and enforced in accordance with the laws of the State of Maryland and the Codes of the Town of Bladensburg. 1. **SITE INSTALLATION PLANNING, DESIGN AND EQUIPMENT INSTALLATION**

1.1. The Systems.

1.1.1. NG will install up to forty (40) Systems (which shall remain the property of NG), monitoring such locations as the Customer and NG shall mutually agree. Up to forty (40) additional Systems may be added at the option of the Customer with NG's consent. Each System shall comprise equipment capable of monitoring red light and/or speeding violations at a single approach to an intersection for up to three lanes of traffic. NG will install new Systems upon mutual agreement of the Parties.

1.1.2. INTENTIONALLY OMITTED

1.1.3. Nothing in this Section or Agreement shall obligate the Customer to purchase a minimum number of Systems.

1.1.4. Substitution, Relocation, or Addition of a Site. If NG or the Customer determine that one or more Sites selected for installation of a System is not for any reason appropriate for the System (and such determination is made at least fifteen (15) days prior to the commencement of installation of the System at any such intersection), then alternate intersection(s) may be substituted by written consent of the Parties.

1.1.5. Timeframe for Installation of the System. NG shall install and activate the Systems in accordance with an Implementation Plan to be mutually agreed to by NG and the Customer, which installation shall, at minimum, conclude

within sixty (60) days after all necessary permits and approvals are received by NG. NG shall use generally accepted industry standards and commercial efforts to install the System in accordance with the schedule set forth in the Implementation Plan. The Customer agrees that the estimated dates of installation and activation of the System set forth in the Implementation Plan are subject to delay based on conditions beyond the control of NG and are not guaranteed.

1.1.6. Installation/Ownership of the System. NG shall procure, install and provide support of Equipment at each of the agreed upon locations. As between NG and the Customer, all components for the System will remain the property of NG.

1.2. Installation

1.2.1. NG shall submit plans and specifications to the Customer for review and approval, which review, and approval will not be unreasonably withheld, conditioned or delayed. These plans and specifications shall be signed and stamped as approved by a professional engineer licensed to practice in the State in which the Customer is located if the same is required by law. NG shall provide at least three (3) sets of drawings of the wiring for the System circuitry.

1.2.2. All cameras and other equipment shall be enclosed in lockable, weather and vandal-resistant housing. All wiring shall be internal to equipment (not exposed) and if commercially reasonable and if capacity exists, underground in existing traffic signal conduits, except where required to directly interface with the traffic signals and electrical service. Separate conduits or overhead wiring may be used by NG if existing conduit(s) are at capacity. If existing conduits are used, the Customer will not unreasonably withhold, delay, or condition consent to such use.

1.2.3. The System may be mounted on or utilize support of existing traffic signal poles, arms, or other intersection structures where possible, subject to Customer review and approval, such review and approval not to be unreasonably withheld, delayed or conditioned.

1.2.4. The System poles, foundations, signs, and new infrastructure, as required, shall conform to applicable law.

1.3. Restoration of Intersections. Upon termination or expiration of the Agreement, NG shall remove the System and restore the affected public facilities including returning the intersections to their original condition; provided, however, that NG

shall not be required to remove any conduit, in-ground fixture, underground wiring, or other infrastructure that will require excavation or demolition. All costs incurred by NG thereby will be the responsibility of NG.

1.4. Compliance with Law. NG shall design and install the System in compliance with all currently existing federal, state, and local laws and regulations. NG covenants and agrees that its Systems shall, at all times, comply with all applicable laws, regulations, rules, and orders and in particular § 21-707.1, “Prince George’s County Stop Sign Monitoring Systems,” of the Transportation Article, Annotated Code of Maryland (“Legal Requirements”). NG shall continuously monitor the status of such Legal Requirements to ensure continuous compliance. In the event of any change in the Legal Requirements, NG shall modify or replace (at its sole cost) all or any portion of its non-compliant Systems. Any such modification shall be effected by NG in a reasonable period of time (not to exceed ninety (90) days for modification or one hundred eighty (180) days for complete system replacement) and NG’s failure to effect such modification or replacement in a timely manner shall be grounds for the Customer to terminate this Agreement for cause. Any such termination shall not relieve NG of its obligation to restore each site to its original condition.

2. **TRAINING OF CUSTOMER PERSONNEL.** After System installation, NG shall provide up to eight (8) hours of training for up to ten (10) persons at two (2) sessions at the Customer’s facilities to acquaint Customer personnel with System operation. Training shall consist of instructional and operational training as well as hands-on equipment exercises with an instructor. All necessary training materials and documentation will be provided by NG at NG’s expense. NG shall make all such training services available to the Customer prior to the end of the thirty (30) day period following the Installation Date. If the Customer requests additional courses or training, NG shall provide these on a cost reimbursement basis. approved by the Customer Police Department for issuance. NG shall pay all mailing and postage costs, and such other miscellaneous costs and expenses as may be reasonably necessary to issue a citation and deliver it by U.S. mail. To the extent required by applicable law, NG shall obtain a certification of mailing issued by the Post Office. Notwithstanding anything to the contrary in the foregoing provisions of this Section 3.1, NG will not process nor support any citations not captured by the System and/or approved by the Customer.

EXHIBIT B
LICENSE AGREEMENT FOR NG SAFETY SYSTEM SOFTWARE

This LICENSE AGREEMENT (the “License”) is part of an agreement (the “Agreement”) (to which a copy of this License is attached as Exhibit B) between the Customer named in the Agreement and NovoaGlobal, Inc. (“NG”) for the NG software product identified above, which includes computer software and may include associated media, printed materials, and “online” or electronic documentation (the “SOFTWARE PRODUCT”). The SOFTWARE PRODUCT also includes any updates and supplements to the original SOFTWARE PRODUCT provided to the Customer by NG. Any software provided along with the SOFTWARE PRODUCT that is associated with a separate license agreement is licensed to the Customer under the terms of that license agreement. By execution of the Agreement, the Customer has agreed to be bound by the terms of this License. Such agreement by the Customer is an express condition to its ability to use the SOFTWARE PRODUCT.

A SOFTWARE PRODUCT labeled as an upgrade replaces and/or supplements the product that formed the basis for the Customer's eligibility for the upgrade. The Customer may use the resulting upgraded product only in accordance with the terms of this License. If the SOFTWARE PRODUCT is an upgrade of a component of a package of software programs that the Customer licensed as a single product, the SOFTWARE PRODUCT may be used and transferred only as part of that single product package and may not be separated for use on more than one computer.

4. COPYRIGHT. All title and intellectual property rights in and to the SOFTWARE PRODUCT (including but not limited to any images, photographs, animations, video, audio, music, text, and "applets" incorporated into the SOFTWARE PRODUCT), the accompanying printed materials, and any copies of the SOFTWARE PRODUCT are owned by NG or its suppliers. 1. LEASE. NG hereby leases to the Customer and the Customer hereby leases from NG, subject to the terms and conditions of this Lease, such items of System equipment (together with all attachments, replacements, parts, additions, substitutions, repairs, accessions, and accessories incorporated therein and/or affixed thereto, the “Equipment”) that the Customer obtains possession, custody or control of pursuant to the Agreement.
2. USE AND LOCATION. The Equipment shall be used and operated by the Customer only in connection with the operation of the System by qualified employees of and in accordance with all applicable operating instructions, and applicable governmental laws, rules, and regulations. The Customer shall not part with control or possession of the Equipment without NG’ prior written consent.
3. CONDITION. NG shall maintain the Equipment in good condition and working order in accordance with Section 5.A of Exhibit A. The Customer shall not damage the Equipment or make any alterations, additions, or improvements to the Equipment without NG’s prior written consent unless such alterations, additions or improvements do not impair the commercial value or the originally intended function or use of the Equipment and are readily removable without causing material damage to such Equipment so as to return the Equipment to its original state, less ordinary wear and tear. Any alteration, addition or improvement not removed prior to the return of the Equipment shall without further action become the property of NG, provided, however, that any alterations, additions, and improvements which would reduce the value of the Equipment must be removed prior to the return of such Equipment.
4. RETURN. Upon the expiration or earlier termination of the Agreement, the Customer shall allow NG reasonable access to remove the Equipment at NG’s expense.
5. OWNERSHIP, LIENS. The Equipment is and shall at all times be the property of NG. The Customer agrees to take all action necessary or reasonably requested by NG to ensure that the Equipment shall be and remain personal property. If at any time during the term hereof, NG wishes to place on the Equipment labels, plates or other markings evidencing ownership, security, or other interest therein, the Customer shall allow NG reasonable access therefore and keep the same displayed on the Equipment.
6. NO CUSTOMER SUBLEASE; ASSIGNMENT. The Customer shall not assign or in any way dispose or otherwise relinquish possession or control of all or part of its rights or obligations

under this lease or enter into any sub-lease of all or any part of the equipment without the prior written consent of NG.

COST NEUTRALITY

The Parties recognize that stop sign monitoring systems have not been used prior to this Agreement in the Town of Bladensburg. The intent of this paragraph is to ensure that NG receives fair payment for its services, but also to avoid the Customer incurring debt as part of its stop sign enforcement. During the term of the Agreement, payments by the Customer may be made to NG under a Flexible Payment Plan if the total funds collected from use of the System(s) are insufficient to cover the \$4,000 or \$4,473 per camera monthly fee. Under the Flexible Payment Plan, the Customer may defer certain payments due and owing to NG during the Term of the Agreement. If at the end of the Term sufficient funds have not been collected by the Customer to pay the accrued balance then due to NG, NG agrees to waive its right to recovery with respect to any balance owing to NG at the end of that Term.

This Flexible Payment Plan will be applied as follows: NG will maintain an accounting of any net balances owed NG each month during the Term. If the total amount of funds collected from all Systems combined during a month exceeds the amount of the NG invoice for the same month, the Customer shall pay NG the total amount due on the invoice. If the total amount of funds collected from all Systems combined during a month is less than the amount of the NG invoice for the System(s) for the same month, the Customer shall pay NG only the amount collected during the same month and Customer may defer payment of the remaining balance. If opting to use a Flexible Payment Plan, Customer will provide NG with sufficient information about payments received directly by the Customer to accurately determine the amount of funds collected. Payments due NG will be reconciled by applying funds collected in subsequent months, first to the accrued balance and then to the subsequent monthly invoice. If at any time the NG invoices, including any accrued balance are fully repaid, Customer will retain all additional funds collected. Any funds in excess of the total balance due (whether reserved in cash or not by Customer) will be available to offset future NG invoices during the term of the Agreement. Customer agrees and understands the Flexible Payment Plan shall be applied in the aggregate across all installed Systems and will not be applied on a per System basis or on a per month basis.

Limitations. The Flexible Payment Plan shall not apply if: (1) Customer elects not to enforce all legally enforceable Violations; (2) Customer directs NG to install a camera at a site where violation rates are projected by NG to be below the rate required by NG for an acceptable installation; (3)

Customer waives and/or fails to timely process more than ten percent (10%) of valid Violations forwarded to the Police for acceptance according to this Agreement; (5) Customer does not provide NG with access to an accurate accounting of all payments received other than directly by NG; or (6) Customer does not deploy and use the System a minimum of 50% of the eligible time authorized by law, except when such non-deployment is not within the control of the Customer.
