[PRINCE GEORGE'S COUNTY HISTORICAL PRESERVATION COMMISSION NON-CAPITAL GRANT PROGRAM POLICIES, PROCEDURES, AND GUIDELINES]

PRINCE GEORGE'S COUNTY
HISTORIC PRESERVATION COMMISSION
NON-CAPITAL GRANT PROGRAM
POLICIES, PROCEDURES, AND GUIDELINES

Revised April 20, 2021

- I. **Introduction.** The Prince George's County Historic Preservation Commission's Non-Capital Grant Program (Grant Program) provides grants to support projects that identify, preserve, promote, and protect the historic, cultural, and archeological resources of Prince George's County for the benefit of the public and to encourage the revitalization of communities. These grants are intended to help produce and disseminate information, stimulate public discussion about preservation, make technical expertise accessible, and encourage community partnerships. The Grant Program can be used to pay for the costs of professional services such as preservation and planning consultants, planning studies, design work, and educational, outreach, and conservation projects involving architectural, archeological or cultural resources.

The Grant Program provides three categories of grant awards 1) up to \$5,000; 2) between \$5,000 and \$25,000; and 3) up to \$5,000 for maintenance of threatened, "abandoned" historic cemeteries. Grant awards are provided to nonprofits, municipalities, individual owners, or contract purchasers of eligible properties in Prince George's County and for eligible projects identified herein. Grant awards up to \$5,000 are considered Mini-Grants and no match is required; grants above \$5,000 (up to \$25,000) require a 50% match for any amount over \$5,000 in either cash or in-kind contributions (for example, a grant award of \$5,500 will require a match of \$250, 50% of the \$500 value of the award that exceeds \$5,000). At its discretion, the HPC may also provide funding through this program to protect and preserve other historic cemeteries.

The Non-Capital Grant Fund is sponsored by the Prince George's County Government and administered by the County's Historic Preservation Commission (HPC) and The Maryland-National Capital Park and Planning Commission, Countywide Planning Division's Historic Preservation Section (M-NCPPC).

- II. **Program Requirements.** Architectural and archeological research, survey and documentation projects must be consistent with the *Standards and Guidelines for Architectural and Historical Investigations in Maryland* or the *Standards and Guidelines for Archeological Investigations in Maryland* and the Prince George's County Planning Board's *Guidelines for Archeological Review*.

For projects involving only one historic property (i.e. Historic Structure Reports, preservation/restoration plans, feasibility studies, etc.), the subject resource must be a designated Prince George's County Historic Site, Historic Resource, Historic District or a contributing resource therein or must be listed in the National Register of Historic Places as a contributing resource or must be determined by the Director of the Maryland Historical Trust (MHT) to be eligible for such listing.

For projects focused on the dissemination of information such as a lecture, workshop, conference, tour, or public event, funds cannot be used to defray the cost of attending such an event but rather the production, implementation, and promotion of such an event. Event-related expenses cannot be used to defray food and beverage expenses but can be used for hard costs such as equipment or venue rental and speaker honoraria. For projects with GIS or spatial data development components, the recipient must provide copies of all databases, image files and GIS files developed under the grant to M-NCPPC.

RE: **Non-Capital Grant Program Application 2025-006
Bostwick Stables Conditions Assessment**

Applicant: Town of Bladensburg
3901 48th Street
Bladensburg, MD 20710

Background

The applicant has submitted an application for a non-capital grant in the amount of \$25,000 to fund the creation of a conditions assessment for the stables at Bostwick (Historic Site 69-005-09). The stable building is located within the Environmental Setting of the Historic Site, and received funding from the Historic Property Grant Program in Fiscal Year 2010 to partially fund the replacement of the roof. Bostwick was built in 1746 for Christopher Lowndes and was later occupied by Benjamin Stoddert, his son-in-law and first Secretary of the Navy. Bostwick was listed on the National Register of Historic Places in 1975 and is protected by easements held by the Maryland Historical Trust and the Maryland-National Capital Park and Planning Commission. The property is owned by the Town of Bladensburg.

Scope of Request

The requested non-capital grant funds would support hiring Encore Sustainable Architects to prepare measured drawings; conduct field surveys with the end goal of preparing a comprehensive existing conditions report; provide schematic designs and estimated cost reports for the planned future use of the property as an events center, community café, wine/beer garden, and recreation area; identify permit requirements; participate in formal meetings with the project committee, which consists of the Aman Memorial Trust and the Town of Bladensburg; and the preparation of a final report and executive summary of these plans.

Recommendations

Based on the information provided by the applicant and the Historic Preservation Commission's adopted

Non-Capital Grant Guidelines, staff recommends the approval of a Non-Capital Grant in the amount of **\$25,000.00**. The application can be found to address the following evaluation criteria:

- (A) **Project Impact/Educational Outreach Value.** The project stimulates or prompts other historic preservation projects or programs throughout the community, or raises awareness of historical, architectural, archeological, or cultural resources and promotes the preservation of such resources.

The future enhanced use of the Historic Site would raise the profile of the resource in the community, bring in new visitors, and raise awareness of the resource and related historic resources in the Town and adjacent communities.

- (B) **Significance.** The architectural, archeological, or cultural significance of the resource (National Register, local designation).

The subject property is a designated Prince George's County Historic Site and listed on the National Register of Historic Places. The main house is the earliest surviving building in the Town of Bladensburg.

- (E) **Protective Value.** The project contributes to the long-term preservation, conservation, or documentation of the architectural, archeological, or cultural resources of the County.

By helping to fund the creation of a conditions assessment, the grant award will contribute to the long-term preservation of the resource and will result in new documentation of the property's structures and architectural features.

- (F) **Administrative/Professional Capability.** Personnel for the project has the necessary training, education, and experience to carry out specific project goals. The project sponsor and administrative personnel have a record of successfully administering grant monies, meeting project deadlines, and following established procedures. The grant application is filled out clearly and concisely.

The project committee (the Town of Bladensburg and the Aman Memorial Trust) have managed several preservation projects at Bostwick and have demonstrated their administrative and professional capability. The identified consultant architect, Ward Bucher, AIA, principal of Encore Sustainable Architects, also has a long history of expertise with historic architecture.
