**USA Made**

Dear Town of Bladensburg,

We, Calvert Ready Mix and Concrete Supplies, LLC., submit this bid proposal for the 'CDBG PY 50 Sidewalk' project, confident that our extensive experience in all the work proposed perfectly aligns with your requirements and ensures successful delivery moving forward if chosen as your contractor for the second part of this bid. We feel that our company and the Town of Bladensburg core values align with one another in regard to holding a higher standard in delivering excellent public services to all locals, whilst supporting and creating a culturally viable community for generations to come. Especially as we begin our partnership together on the CDBG PY 50 Sidewalk- Phase I job.

Our team has completed an asphalt paving, concrete curb and gutter project where we provided additional concrete slab and storm water drains for Kalmia Construction at the Verizon Waldorf facility delivering efficient, on schedule, work through our expertise and over 40 years' experience in paving and concrete.

Recently, we completed a complex three phase project for the City of Laurel Department of Public Works demonstrating our ability to navigate a moderately trafficked area, all while reinforcing safety procedures for our crew and the surrounding community, staying on time and achieving completion ahead of schedule.

We currently have a permanent contract with Maryland National Park and Planning Commission in which we provide as needed services such as installation and/or repairs to asphalt and concrete works at their various locations across Prince George and Montgomery counties.

Our same team for the past ten years has a proven track record of full transparency, exceeding quality standards, meeting firm deadlines, which we believe to be invaluable to this project. Calvert Ready Mix is eager to discuss your specific needs further and demonstrate how our proven experience can deliver a successful outcome for the Town of Bladensburg in redevelopment, investing and diversity for the local community.

Sincerely,

*Stephen E Stanley*
