## Business License Statistics:

Business License applications for FY2024 through May total 5,763 (753 new business and 5,010 renewals) compared to FY2023's total of 3,327 (797 new business and 3,369 renewals).

Business license renewals reflect a decrease of 30% or 1,079 and revenue collections decreased 45% or \$460,203 for the month of May when comparing to last year. This large decrease is due to the efficiencies the new business license software, Evolve, which significantly reduced the huge backlog of pending renewals the Business License Division would have to process well past the renewal due date.

The amended ordinance that went into effect January 1<sup>st</sup>, 2019 included additional incentives for new businesses and businesses with multiple locations within the Town. For the 2024 business license renewals, six hundred, seventy-six (676) business have qualified for the Town's incentives for a total revenue reduction of \$220,022.
