STAFF REPORT Executive Department

MEETING DATE:	May 12, 2026
PROJECT:	Approval of Public Arts Committee Recommendations for Student Art for Welcome Center Display
PROJECT MANAGER:	Chris Forster, MPA, CPFO, CGFM, Assistant Town Manager

REQUEST:

Staff requests Town Council approve the Public Arts Committee recommendations of student art to hang in the Welcome Center.

BACKGROUND:

In May of 2025 the Town sent out a request to local high school principals for student artwork to hang at the Welcome Center for up to a year. As we are nearing the end of the current exhibition time frame, staff requested another round of artwork from students to replace those currently on display. The only parameters for submittals were they must be wall art, no larger than 20"x24".

The Public Arts Committee received and reviewed six submittals (Attachment 1). The Committee voted unanimously to recommend Council approve these six submittals for display. The 2026 exhibit is scheduled to run from July 1, 2026, until June 30, 2027.

NEXT STEPS:

Upon approval of the recommendation, staff will collect the necessary release forms and artwork, have the art framed and hung in the Welcome Center.
