

Consideration of Town of Bluffton Needs Assessment for Housing, Public facilities, and Economic Development – Public Hearing

“I move that Town Council establish the following ranking of community needs as priorities:

- 1. Transportation and Pedestrian Safety.***
- 2. Affordable Housing for Low to Moderate Income (LMI) individuals, families and seniors.***
- 3. Residential Rehabilitation of Housing for safe and dry housing.***
- 4. Infrastructure improvements including sewer, water and drainage.***
- 5. Restoration of Properties or facilities of special value to the community.”***
