Dear Ms. Denmark:

On July 6, 2022 the Town of Bluffton Historic Preservation Commission approved the Certificate of Appropriateness to allow the reconstruction of the 1,248 SF Contributing Resource, known as the Joiner House towards the eastern property line of the same parcel identified as 9 Bruin Road in the Old Town Bluffton Historic District and zoned Neighborhood Core-HD (COFA-03-22-016484) with the following conditions:

1. Per 3.18.3.A, Secretary of the Interior's Standards for Rehabilitation #5, additional information regarding the proposed reconstruction of the front screened porch and side portico must be provided to staff for staff level review as not enough information has been provided to ensure they meet the standards of this section.
2. Per 3.18.3.A. of the UDO, Secretary of the Interior's Standards for Rehabilitation #6, drawings for features which will be reconstructed (the porch and side portico) must be provided for review as not enough information has been provided to complete this review.
3. Per Section 5.15.6. of the UDO, to ensure the architectural standards have been met for materials, dimensions, and configurations, plans for all areas of the structure which will be dismantled and rebuilt, or new construction must be provided to ensure compliance with this section.
4. Per Section 5.15.6.I. additional information is required regarding the proposed rear elevation as not enough information was provided to complete the review of the proposed window in the location of the existing door.
5. The metal columns on the side portico shall be retained.

6. The Applicant retain all original components to maximum degree as reasonably and economically feasible.
7. The Applicant provide any substitutes to original windows, doors, brick foundation, brick piers, and roofing panels must be submitted to staff for a determination as to the appropriateness of the substitute materials.
8. The proposed location is appropriate as it matches the angle of the contributing structure in accordance with section 5.15.5.F.5 of the UDO.
9. Drawings be provided for review, and for approval at Staff level, for the reconstructed porch and side portico.

Please submit updated project information to address the conditions above. Once received and satisfactorily reviewed, Town Staff will approve and stamp the plans and issue a final Certificate of Appropriateness.

Any person aggrieved by the decision of the HPC may file an appeal pursuant to the South Carolina Code of Laws, Section 6-29-900 et sequitur within 30 days.

Upon issuance, a Certificate of Appropriateness (COA) remains valid for two (2) years from this approval date (07/06/2022). If the project is not substantially complete within the time limit, the COA expires.

Please be advised that a COA is not a permit to begin construction. All necessary permits and licenses prior shall be obtained prior to commencing construction. Please contact the Town of Bluffton Customer Service Center at (843) 706-4522 if you have any questions.

Sincerely,
