Sierra Pacific Window Photos showing exterior construction –

PREMIUM DOUBLE HUNG

THE ULTIMATE VINYL WINDOW.

Our Premium Double Hung truly lives up to its name. Even at first glance, you'll recognize that this is the nicest vinyl window on the market.

Look closer, and you'll discover that our Premium Double Hung actually mimics all the details of a premium wood window. Its multi-chamber construction is heavy-duty and first rate. And, of course, you'll find plenty of premium options that are not available from most vinyl window brands—such as painted exteriors, high performance glazing, decorative glazing and grilles.

ADVANCED AUTO TILT.

Lots of double hung windows tilt, but not like this one. Our low profile tilt/lock mechanism makes all the difference for easy tilting, easy cleaning and easy locking...without those tilt pins that hurt your fingers.

Available in matching double horizontal slider, picture windows and transoms.
