Project Description:	This is a celebration of the Holiday of Hanukkah. Hanukkah is an 8 night long holiday, and it is customary to celebrate each and every night. The holiday of Hanukkah is joyous, and commemorates the story of one drop of oil keeping the destroyed temple lit for 8 nights, which truly was a miracle. It is customary on Hanukkah to eat foods made in oil, and to dance, sing, and play dreidel games. A dreidel has Hebrew letters which are an acronym that stands for "A great miracle happened there" in reference to the miracle of light.

Impact on or Benefit to	This event would draw tourists from other towns within Beaufort
Tourism:	County to a lively celebration of such an important holiday. It is
	difficult to live in an area where Judaism is not as prevalent, and

as such, events such as these always have a very high attendance. Our building is in Hilton Head, but we have many members that live outside of Hilton Head Island that would most certainly attend. We also receive many inquiries during the winter season from tourists that are snowbirds or are just changing locations often throughout the winter, seeking engagement opportunities for holidays. In year's past at community based events, we have asked many people where they are from, and most say they are visitors that were so glad to see Judaism being embraced in the heart of the south.

"Tourist" means a person who does not reside within the corporate limits of the Town or within a Town zip code that takes a trip into the corporate limits of the Town for any purpose, except daily commuting to and from work.

"Travel" and "Tourism" mean the action and activities of people taking trips outside their home communities for any purpose, except daily commuting to and from work.

Dear Applicant:

Based on information supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code.

Because you are a newly created organization, we are not now making a final determination of your foundation status under section 509(a) of the Code. However, we have determined that you can reasonably be expected to be a publicly supported organization described in section 509(a)(2).

Accordingly, you will be treated as a publicly supported organization, and not as a private foundation, during an advance ruling period. This advance ruling period begins on the date of your inception and ends on the date shown above.

Within 90 days after the end of your advance ruling period, you must submit to us information needed to determine whether you have met the requirements of the applicable support test during the advance ruling period. If you establish that you have been a publicly supported organization, you will be classified as a section 509(a)(1) or 509(a)(2) organization as long as you continue to meet the requirements of the applicable support test. If you do not meet the public support requirements during the advance ruling period, you will be classified as a private foundation for future periods. Also, if you are classified as a private foundation, you will be treated as a private foundation from the date of your inception for purposes of sections 507(d) and 4940.

Grantors and donors may rely on the determination that you are not a private foundation until 90 days after the end of your advance ruling period. If you submit the required information within the 90 days, grantors and donors may continue to rely on the advance determination until the Service makes a final determination of your foundation status. However, if notice that you will no longer be treated as a section section organization is published in the Internal Revenue Bulletin, grantors and donors may not rely on this determination after the date of such publication. Also, a grantor or donor may not rely on this determination if he or she was in part responsible for, or was aware of, the act or failure to act that resulted in your loss of section 509(a)(2) status, or acquired knowledge that the Internal Revenue Service had given notice that you would be removed from classification as a section 509(a)(2) organization.

If your sources of support, or your purposes, character, or method of operation change, please let us know so we can consider the effect of the change on your exempt status and foundation status. Also, you should inform us of all changes in your name or address.

Generally, you are not liable for social security (FICA) taxes unless you file a waiver of exemption certificate as provided in the Federal Insurance Contributions Act. If you have paid FICA taxes without filing the waiver, you should call us. You are not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Organizations that are not private foundations are not subject to the excise taxes under Chapter 42 of the Code. However, you are not automatically exempt from other Federal excise taxes. If you have any questions about excise, employment, or other Federal taxes, please let us know.

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

You are required to file Form 990, Return of Organization Exempt from Income Tax, only if your gross receipts each year are normally more than \$10,000. If a return is required, it must be filed by the 15th day of the fifth month after the end of your annual accounting period. The law imposes a penalty of \$10 a day, up to a maximum of \$5,000, when a return is filed late, unless there is reasonable cause for the delay.

You are not required to file Federal income tax returns unless you are subject to the tax on unrelated business income under section 511 of the Code. If you are subject to this tax, you must file an income tax return on Form 990-T. In this letter, we are not determining whether any of your present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

You need an employer identification number even if you have no employees. If an employer identification number was not entered on your application, a number will be assigned to you and you will be advised of it. Please use that number on all returns you file and in all correspondence with the Internal Revenue Service.

Because this letter could help resolve any questions about your exempt status and foundation status, you should keep it in your permanent records.

If you have any questions, please contact the person whose name and telephone number are shown in the heading of this letter.

Sincerely yours,

Enclosed: 990, Schedule A. 6 instructions co: Julian R. friedum, Caquira

Por tax years ending on and after December 31, 1987, organizations whose gross receipts are not normally more than \$25,000 are excused from filling Form 990. For guidance in determining if your gross recalipts are "normally" not more than the 325,000 limit, see the instructions for the Form 999.
