**Development Agreement Building Permits vs. Utilized Development Rights Summary
As Of September 30, 2023**

NOTES:

¹ Community amenities such as clubhouses, equestrian facilities, pro shops, etc. as well as civic, institutional, church, and assisted living facilities with a Certificate of Need do not count against residential or commercial development rights.

² New Riverside, LLC deposited 1,300 residential dwelling units on January 16, 2013, and may deposit an additional 764 residential dwelling units at its own discretion at a later date, into the Town's Development Rights Bank for future allocation outside of the critical areas of the May River Watershed Headwaters Restricted Area. Of the 1,300 residential dwelling units deposited, 1,080 may be withdrawn and transferred to the Palmetto Bluff Concept Land Use Plan which would increase Palmetto Bluff's allocated residential development rights from 2,920 to 4,000 residential dwelling units. The withdrawal and transfer to Palmetto Bluff occurred in December 2016.

³ These development rights were sold to Beaufort County as part of their Rural and Critical Lands Program. Therefore, it is most likely that these development rights will be preserved and reduce the remaining available.

⁴ The Palmetto Bluff Concept Plan provides that inns, hotels, bed & breakfasts, and associated ancillary uses such as conference centers, spas, restaurants, etc. count against residential development rights at a ratio of 1 room = 1/2 residential dwelling unit.

⁵ The Schults Tract Development Agreement initially established development rights for 1,600 residential dwelling units. The available residential development rights were reduced through 1) The extinguishment of 187 residential dwelling units as part of the transaction for Town of Bluffton and Beaufort County's co-purchase of Tract B-11; and 2) The transfer of 337 residential dwelling units to the Buckwalter Development Agreement, specifically Buckwalter Place, through a Transfer of Development Rights Permit.

⁶ Residential development rights are considered utilized upon the platting of a new single family lot or upon the issuance of a building permit for structures with multiple dwelling units such as condominiums, multi-family/apartment complexes, hotels, inns, bed & breakfasts, or dormitories. Commercial development rights are considered utilized upon the issuance of a building permit for a commercial structure.

⁷ These development rights are owned by the Town of Bluffton.
