Subject: Ordinance 14-2026 An ordinance amending the Boardman municipal code to amend Title 8 Health and Safety

Category: Action Items- Ordinances

Staff Contacts: Brandon Hammond, City Manager

Summary:

Ordinance 14-2026 updates Title 8, Health and Safety, of the Boardman Municipal Code. The changes are intended to better organize the code, provide clearer and more objective standards, and update provisions related to general nuisances, litter, and garage sale signs so they are more consistent with current practice and state law.

The ordinance repeals and replaces the previous version of Title 8 and also authorizes the City Manager or designee to make minor typographical, formatting, and scrivener's corrections needed for codification. If adopted, the ordinance will take effect October 1, 2026.
