

AGENDA BILL

City Council Meeting – September 1, 2026

Subject: Resolution 23-2026 A Resolution Adopting The 2015 Water System Master Plan And The 2021 Wastewater Facilities Plan

Category: Action Items- Resolution

Staff Contacts: Brandon Hammond, City Manager

Summary:

Resolution 23-2026 formally adopts the City's 2015 Water System Master Plan and 2021 Wastewater Facilities Plan. These plans provide supporting information for the City's ongoing Comprehensive Plan update, specifically Goal 11 – Public Facilities, which addresses water and wastewater services.

Adopting the plans gives the City an official factual basis to support public facility policies and future planning decisions within the Comprehensive Plan.
