 - 2. When the operator is not the legal owner, notice is deemed given when a certified letter addressed to the registered owner of the vehicle and the legal owner, if any, return receipt requested and postage prepaid, is mailed within forty-eight (48) hours after the vehicle is taken into possession by, or at the direction of a public safety officer.
- B. If the vehicle is registered with the Motor Vehicles Division of the State of Oregon, notice may be addressed to the registered owner, and the legal owner, if any, at the last respective address of each as shown by the records of the Motor Vehicles Division. If the vehicle is not so registered, reasonable efforts shall be made to ascertain the name and address of the legal owner or person entitled to possession of the vehicle so that notice may be mailed, if reasonably possible, within forty-eight (48) hours of impound.
- C. The notice required by this section shall state the following:

 - 3. That a hearing on the validity of the proposed impound may be held, if requested within five calendar days of receipt of notice by the owner.
- D. After a vehicle has been impounded pursuant to Section 10.32.010 notice must be provided to the registered owner, if known, indicating:

- A. Request for Hearing. The owner must request a hearing within five calendar days after receipt of the notice.  - 1. When timely request for a hearing is made, a hearing shall be held before a hearings officer, who shall be appointed by the Morrow County court.
 - 2. The hearing shall be set and conducted within four calendar days of receipt of the request, excluding holidays, Saturdays and Sundays. The hearing can be set for a later date if the owner or person entitled to possession so requests.

The county may present evidence either by testimony of the police officer, traffic officer or code enforcement officer, or by written report of the officer. If the county's evidence is presented only by written report and hearings officer cannot resolve a question by information contained in the report, the hearing may be held open for reasonable time to complete the record.
- C. Decision of the Hearings Officer. If the hearings officer finds that:
1. Impound of the vehicle was proper, the hearings officer:
 - a. Shall enter an order supporting the removal; and
 - b. Shall find that the owner or person entitled to possession is liable for any towing and storage charges resulting from the impound; and
 - c. May find that the owner or person entitled to possession is liable for the costs of the tow hearing, including costs of the hearings officer and any witnesses.

 - a. Order the vehicle released to the owner or person entitled to possession;
 - b. Find that the owner or person entitled to possession is not liable for any towing or storage charges resulting from the impound; and
 - c. Order the county to satisfy the towing and storage lien.
- D. The decision of the hearings officer is final.
- E. If the person requesting the hearing does not appear at the scheduled hearing, the hearings officer may enter an order supporting the impound and assessment of towing and storage costs, and shall add an assessment for the costs of the hearings officer and any witnesses who appeared at the time set for hearing.
