

AGENDA BILL

City Council Meeting – September 1, 2026

Subject: Resolution 24-2026 A Resolution Establishing An Animal Impoundment Fee And Repealing Prior Resolutions Setting Such Fees

Category: Action Items- Resolution

Staff Contacts: Brandon Hammond, City Manager

Summary:

The proposed resolution establishes an animal impoundment fee based on the City's actual cost to impound an animal. The fee would recover employee time and travel costs related to taking custody of, transporting, and impounding the animal, rather than using a set fee amount.

The resolution would also repeal prior animal impoundment fee resolutions that conflict with the new cost-recovery approach and would become effective upon approval by the City Council.

Attachment:

Resolution 24-2026

Budget/Fiscal Impact:

NA

Recommendation:

Approve

Proposed Council Motion:

I move to approve Resolution 24-2026 A Resolution Establishing An Animal Impoundment Fee And Repealing Prior Resolutions Setting Such Fees
