

Mobile Food Vending and Food Pods

Identifying solutions for the growing trend of mobile food vendors, food trucks, and food pods in Boardman

Boardman City Council Workshop
August 4, 2026

**Agency
Coordination**

Current Regulatory Challenges

Zoning Barriers:

Lack of clear
pathways

Infrastructure Gaps:

Unclear utility
requirements

Inter-agency incongruity:

City, fire safety,
& County Health

Objectives

IDENTIFY GAPS IN
MUNICIPAL AND
DEVELOPMENT
CODES

ESTABLISH CLEAR
DIRECTION FOR
FUTURE CODE
AMENDMENTS

BALANCE
GROWTH WITH
HEALTH & SAFETY
STANDARDS

Recommendations for Next Steps

Amend

Amend Code to define Mobile Food Vendors and Food Pods

Create

Create standards for where and how Mobile Food Vendors can operate

Establish

Establish clear and objective standards for Food Pods

Form

Form process for agency coordination during review of Food Pods

Institute

Institute a grace period for existing operations to meet standards

A teal food truck is the background of the slide. On the left, a menu board is visible with items like 'KOREAN BBQ TACOS 12', 'SPICY PORK TACOS 11', and 'VEGETARIAN TACOS 10'. A worker in a black shirt and cap is inside the truck. The side of the truck features large text: 'FOOD TRUCK ZONING LAWS GUIDE'. At the top of this text is a location pin icon with buildings. At the bottom is a city skyline illustration. A side mirror is on the right.

Thank you
