

AGENDA BILL

City Council Meeting – December 2, 2025

Subject: Resolution 28-2025 A resolution declaring city of Boardman personal property as excess

Category: Action Items- Resolution

Staff Contacts: Brandon Hammond, City Manager

Summary:

The resolution states that the City of Boardman has certain equipment and vehicles that no longer have effective use, or would cost more to repair than they are worth to city operations, and are therefore deemed excess. Specifically, the City declares a 1978 International dump truck, a 1980 Ford dump truck (both previously disposed of and later returned), and a 1980 Case 580C backhoe as surplus property to be disposed of. The City Council authorizes City Administration to dispose of these items by donating them to nonprofit entities, accepting bids, selling them directly, or using a combination of these methods.

Attachment:

Resolution 28-2025

Budget/Fiscal Impact: NA

Recommendation: Approve

Proposed Council Motion:

“I move to approve Resolution 28-2025 A Resolution Declaring City of Boardman Personal Property as Excess”.
