RE: Rate Adjustment Application for Solid Waste

I am writing to formally submit Sanitary Disposal's request for a 3.06% rate increase for our solid waste services, effective July 1, 2025. This proposed adjustment is consistent with the annual change in the Consumer Price Index for Urban Wage Earners and Clerical Workers (CPI-W), West Region, All Items, and includes the 5% disposal increase at Finley Buttes Landfill.

This rate adjustment is essential to address rising operational costs—including labor, health insurance, and equipment—while supporting our continued investment in fleet modernization to ensure reliable and efficient service.

Thank you for your consideration.

Regards,

Kevin Miracle
