Past Chamber Events:

• **Boardman's End of Summer Celebration** was a huge success, and we couldn't have done it without some amazing partners. MCURD funded the delicious food from GG's Smokehouse Catering and the fireworks. Tillamook provided and served ice cream that kept everyone cool and happy. Special thanks to DJ Kora for providing great music and to our First Responders for a fantastic meet and greet. Your dedication and support made the event unforgettable.

Boardman Community Development Association

The BCDA Board is pleased to continue supporting various initiatives in Recreation, Education, Beautification, and Community projects.

Our next major endeavor is the construction of a new play structure at the SAGE Center. With a \$250,000 investment, this project will accommodate the increasing number of students participating in our year-round educational programs and benefit the wider community. We are excited to share the progress of this project with the community. We are thankful for the additional support from Threemile Canyon Farms in the value of \$50,000 and AWS for their recent contribution of \$50,000 to help support the overall cost of this project and the community.

Additionally, we are maintaining our Home Buyers Incentive program, with an investment of \$250,000 to encourage new residents to settle in Boardman. We currently have spent \$160,000 in housing grants for 2024.

We recently received \$1.5 million dollars from the US Small Business Administration to build the Boardman Business Opportunity Incubator building that will be a dedicated space for small and medium sized businesses with a particular emphasis on supporting women and minority owned business enterprises and low-income populations.

BCDA remains committed to making Boardman a wonderful place to live, work, and play.
