

Boaz Fire Department Report

The Boaz Fire Department took delivery of the new Pierce ``Enforcer" pumper last week. Boaz Fire personnel are currently participating in an in-service training class and conducting driver training with the new apparatus. Some of the equipment for Engine 2 is on backorder and should begin arriving in the next week. We hope to have Engine 2 in service in the near future. Thank you to the Mayor and Council for supporting this purchase.
