December, 2022 Report

During the month of December:

We served 1,715 meals. Of these 760 hot were homebound delivered and 570 hot were served here at the center.

We did not have food service the last week but were able to get 385 shelf stable meals we delivered so the homebound would have food during that week. So total for the month is 1,715 meals.

We logged 402 trips on 2 buses and 3 vans. We had a total of 1,400 vehicle miles and total passenger miles 1,215. This includes medical, shopping, and delivering food and our route to pick up and bring to center. We have averaged 40-48 people a day.
