

DISCUSS CLEVELAND CUP

Staff seeks consensus on closing Town Hall at 2pm on 10/14

SUMMARY

The Cleveland Cup is a 5k race for employees of Cleveland County, Shelby, Kings Mountain, and (for the first time this year) Boiling Springs. This is the 5th annual race and it was started as a way to promote healthy activity to the employees of these jurisdictions. The jurisdiction that has the most participation wins the 'Cleveland Cup' and there are various door prizes and other fun elements to the event.

In order to allow all of our staff to participate, the Town Manager would close Town Hall at 2pm on October 14th (race starts at 3pm). We'd post this on the door and make posts on the website and social media pages.

Councilmembers are also invited to participate in the 5k or volunteer at the event.

If Council wishes to keep Town Hall open, we will elect a staff member to be present to provide service to residents.
