ONE TOWN • ONE UNIVERSITY • ONE COMMUNITY

RECOGNITION FOR MR. JERRY HENSLEY

Staff received an outpouring of support and condolences from the community over the passing of Mr. Jerry Hensley. Several ideas were mentioned that would recognize or be a memorial for Mr. Hensley. Furthermore, several people offered to contribute to such a cause.

Therefore, staff wanted to provide the opportunity for Council to consider such an idea. We are happy to take input or explore options and present them next month if Council desires.
