The Debris tank (when equipped) shall have a 36-month standard manufacturer's warranty from date of delivery.

Freshwater tanks as equipped:

The 125-gallon fresh water tank shall be free from defects in material and workmanship, under normal use and service as determined by the manufacturer, for a period of (120) months (not pro-rated) from the date of delivery.

The 225-gallon and 325-gallon fresh water tank(s) shall be free from defects in material and workmanship, under normal use and service as determined by the manufacturer, for a period of (36) months (not pro-rated) from the date of delivery.

The 375-gallon fresh water tank(s) shall be free from defects in material and workmanship, under normal use and service as determined by the manufacturer, for a period of (60) months from the date of delivery.

***VAC-CON, as seller, warrants all equipment manufactured by it and bearing its name shall be free from defects in material and workmanship, under normal use and service as determined by us, for a period of (12) twelve months from date of delivery to the first retail purchaser. Warranties covering major components not of Vac-Con/Vector Technologies manufacture (power plants, hydraulics, trucks, vacuum compressors, transmissions, electrical components, batteries, tires, etc.) are warranted by their respective manufacturers. We give no warranty express or implied, as to description, quality, productiveness or any other matter and the Buyer hereby waives the right of refusal and return of the goods which is usually connected with non-warranty. It is the sole responsibility of the purchaser to use this equipment in an appropriate application and a safe manner. Vac-Con/Vector Technologies assumes no responsibility or liability for its misuse. This warranty is not transferable.***

#### **WARRANTY REGISTRATION:**

*Warranty must be registered with Vac Con upon delivery to the first retail purchaser in order to be in effect. Failure to do so will result in the original invoice date becoming the inception date of warranty coverage. Vac Con is not responsible or liable for loss of warranty coverage due to failure to register the warranty in a timely manner.*

#### **SPECIFIC EXCLUSIONS:**

*Normal and routine maintenance as specified in the specific manuals as indicated by the manufacturer's official Operator's Manual. Travel time, meals, lodging, transportation expenses, rental units and work unrelated to a covered event. Certain parts are deemed consumable or expendable items. These parts are consumed with routine usage of the equipment and are not covered by equipment warranty. Excluded items include, but are not limited to: Nozzles, Nozzle skids, Sewer Cleaning Hoses, Ball Valves, Gate Valves, Knife Valves, Needle Valves, Hose Guides, Rotary Unions, Hand Guns, Unloader Valves, Water System Relief Valves, Hydrant Fill Hoses, Water Pump Packings, Water Pump Check Valves, all Belts, Vacuum Hoses, Boom Suction Elbows, Suction Tubes, Catch Basin Tubes, Tube Clamps, Lay Flat drain hoses, All Bearings, All Seals and Gaskets, All Fluids, All Filters, Fuses, Electrical Switches, Electric bulbs and lenses.*

#### **LIMITATIONS:**

*Warranty claims must be filed within thirty (30) calendar days from date of repair. Claims submitted more than forty-five (45) days after date of repair, labor will not be considered. Claims submitted more than ninety (90) days after date of repair will not be considered.*
