

## **CHAPTER 9 EMPLOYEE BENEFITS**

**Effective November 1, 2021**

### **9.01 Health Insurance**

All regular full-time employees are covered by medical insurance. This insurance generally provides for physician care, hospitalization, major medical expenses and prescription drugs. Coverage for dependents is available by payroll deductions at reduced group rates on the first day of the month following thirty (30) days of employment. Detailed information concerning employee insurance is contained in the City's Benefits Brochure.
