

## FISCAL OFFICER'S CERTIFICATE

To the Council of the City of Brecksville, Ohio:

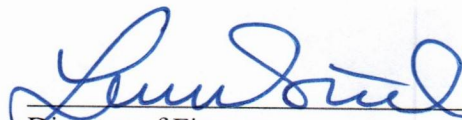

As fiscal officer of the City of Brecksville, I certify in connection with your proposed issue of not to exceed \$5,685,000 of notes (the Notes), to be issued in anticipation of the issuance of bonds (the Bonds), for the purpose of paying costs of expanding the interchange at Miller Road and Interstate 77 by constructing, reconstructing, widening, paving, grading, draining, curbing, installing and replacing guardrails, adding lighting and signalization, relocating utilities, constructing storm sewers and related drainage facilities, and, in connection therewith, acquiring rights-of-way, together with all necessary related improvements and appurtenances thereto (the Improvement), that:

1. The estimated life or period of usefulness of the Improvement is at least five years.

2. The estimated maximum maturity of the Bonds, calculated in accordance with Section 133.20 of the Revised Code, is 20 years, being my estimate of the life or period of usefulness of that Improvement. If and to the extent a portion of the proceeds of the Bonds may be determined to be allocated to a class or classes having a maximum maturity of less than 20 years but in excess of five years, then the maximum maturity of the Bonds would still be at least 20 years by reason of a sufficient portion of the proceeds of the Bonds allocated to a class or classes having a maximum maturity or an estimated period of usefulness in excess of 20 years. If notes in anticipation of the Bonds are outstanding later than the last day of December of the fifth year following the year of issuance of the original issue of notes, the period in excess of those five years shall be deducted from that maximum maturity of the Bonds.

3. The maximum maturity of the Notes is September 21, 2042, which date is 20 years from September 21, 2022, the date of issuance of the original notes issued for this purpose.

Dated: August 6, 2024
