

TO: Mayor and City Council
FROM: David Chanski, City Administrator
RE: Proposed Ordinance 2023-07 Hunting on Public Property
DATE: December 4, 2023

Background

Councilmember Jensen brought forward for discussion at the November 6 City Council meeting a concern that the City Code is not clearly worded in a way that prohibits hunting on city-owned land. After having consulted with the City Attorney, he also stated that it wouldn't be a bad idea for the City to clarify its ordinance should the City indeed wish to prohibit hunting on city-owned land.

Proposed Ordinance 2023-07 amends [Chapter 131](#) of the City Code to expressly prohibit hunting of any kind on property owned by the City of Breezy Point.

Council Action

Consideration of Proposed Ordinance 2023-07 should proceed as follows:

1. Public hearing
2. Council deliberation
3. Action on proposed ordinance

Staff recommends approval of Proposed Ordinance 2023-07.
