

CITY COUNCIL MEETING

AGENDA ITEM

<i>Prepared By:</i>	<i>Meeting Date:</i>	<i>Item Name:</i>
<i>Joe Zierden, Public Works Director</i>	<i>7/6/2026</i>	<i>Reject Metering Improvement Bids</i>

BACKGROUND/DISCUSSION

One bid was received for the mag meter installation at the wastewater treatment facility that was over the estimated cost. After discussion it was felt the best course of action would be to reject bids and rebid the project in January 2027. It was felt this could yield more competitive bids.

COUNCIL ACTION REQUESTED

A motion to reject the metering improvement bid and rebid the project in January 2027 would be appreciated.
